Good Afternoon Christine and Damien - Damien, in case you don't remember, I am Laurel Mendoza, the grazing tenant on the CCWD/Jess Ranch property adjacent to the proposed facility. I just read Christine's response to the Draft EIR, and I was rather surprised about an item that I honestly had overlooked in reviewing the document myself.

1 Under Clarification Needed, Item A.2. (existing building removal at CCWD parcel, I am stunned to see this and would like immediate clarification). I, Laurel Mendoza, OWN that residence building. An arrangement was made with CCWD for me to purchase it, provide necessary rehab, and continue to use it as a security residence on the site. I would like to know how this project has any impact on what I do on my personal adjacent lease. Please explain. Thank you. Laurel Mendoza
