## State of Alameda County Presentation to Newark City Council

It is an honor to represent you and the communities of Hayward, Union City, Newark, and portions of Fremont and Sunol on the Alameda County Board of Supervisors.

It is important that our office be accessible to you. Please join us on **Thursday, September 13 at 7:00 p.m. at Newark City Hall, 37101 Newark Boulevard**, for a State of Alameda County conversation with your Supervisor. After the conversation a short presentation to your City Council about the services we provide will follow.

You can view the council meeting, beginning at 7:30 p.m., on Newark's local cable channel 26. To view the agenda for the evening's Council meeting visit the city's website at <http://www.newark.org/departments/city-managers-office/agendas-and-minutes/#city>.

Alameda County faces some major challenges over the coming months. Collaboration between the city, county, special districts and our community are important for developing solutions to long standing problems. **Topics discussed on September 13 will include an update on the County's budget, plans to bring more resources to Newark, and stabilizing St. Rose Hospital.**

We look forward to engaging you in the future of our community, and hope to see you on **Thursday, September 13 at Newark City Hall**. Please do not hesitate to contact our office at (510) 272-6692 if we can assist you.
