

Hayward Highlights Fall 2011 Edition

Outstanding Work Recognized Hayward Volunteers Shine

The annual Hayward Volunteer Recognition and Award Dinner—co-sponsored by County Supervisor Nadia Lockyer and the City—was held in October and recognized fifty-three individuals for their service to the City, contributing time and energy to benefit local humanitarian services, non-profits, and other programs in Hayward.

The two big awards of the evening, the Gail Steele Lifetime Achievement Award and the John N. Pappas Humanitarian Award, went to Evelyn Cormier and Mi-chael Mahoney. Evelyn has long been active in Hayward land use issues. Michael was recognized, in part, for his involvement with the Silva Pediatric Medical

and Dental Clinic, which provides healthcare access for thousands of Hayward kids.

They and all the other volunteers were recognized for taking a little bit of time to help make Hayward a much better place. As always, details on how you can make a difference are on the City's volunteer opportunities section of its website: <http://bit.ly/rrCuRO>

Any unused or expired medication laying around?

If you have old medications, **don't flush them down the**

drain. They'll end up in the Bay and do harm! Instead, dispose of them at **Ted's Drug Store** at 27453 Hesperian Blvd or the **Alameda County Household Hazardous Waste Facility** at 2091 West Winton. Info at www.earth911.com.
