

**BASE PHYSICIAN (#4500)**

---

1. Eligible facilities that wish to offer a Base Hospital Physician training program in Alameda County, must submit a request to the Emergency Medical Service Agency that includes:
  - 1.1 The course goals and performance objectives
  - 1.2 The course content, including course hours, based on the following approved curriculum:
    - Alameda County EMS clinical policies and procedures
    - Relevant Alameda County Administrative policies
    - Hospital Diversion
    - Multi-casualty incident procedures
    - Geography of Alameda County
    - Medical facilities and resources in Alameda County
    - Providers of ALS, BLS, and Air transport in Alameda County
    - Trauma centers in Alameda/Contra Costa Counties and their resources
    - Knowledge of dispatch and EMD procedures in Alameda County
    - Medical/legal considerations
    - Communication equipment
    - Disaster procedures
  - 1.3 A description of how course goals and objectives are to be accomplished by each physician.
  - 1.4 The names and qualifications of the program director, clinical coordinator, primary instructors and teaching assistants.
2. Program approval will be for four (4) years.
3. All programs are subject to periodic review and on-site evaluation.
4. Persons or agencies conducting an approved Base Hospital Physician training program must notify the Emergency Medical Service District in writing, in advance when possible, and in all cases within thirty (30) days of any change in course content, hours of instruction, program director, clinical coordinator or primary instructor.
