SUBJECT: ADOPT 1) SALARY ORDINANCE AMENDMENTS TO UPDATE 1-1.1 TO ESTABLISH JOB CODE 9703 AND INCREASE THE SALARIES FOR CERTAIN UNREPRESENTED M-DESIGNATED AND NON-MANAGEMENT CLASSIFICATIONS, DELETE 3-17.25, ADD 3-21.111, UPDATE SECTION 6-6, AND ADD SECTION 7-20; AND 2) AN ADMINISTRATIVE CODE AMENDMENT TO ADD A NEW SECTION 2.02.190 (CODE OF ETHICAL CONDUCT)

Dear Board Members:

RECOMMENDATIONS

1. Adopt Salary Ordinance amendments to:

- i. Update Article 1, Section 1-1 (Pay Rate Schedules), subsection 1-1.1, to establish a new classification of Project Manager Trainee, General Services Agency (Job Code ("JC") 9703) located in the General Services Agency ("GSA") and increase the salaries for certain Unrepresented M-designated and non-management related to management classifications by six percent (6%) effective May 12, 2024,
- ii. Delete Article 3, Section 3-17 (Sheriff's Department), subsection 3-17.25 in its entirety effective April 27, 2024,
- iii. Amend Article 3, Section 3-21 (Miscellaneous) to add a new subsection 3-21.111 to provide a one-time lump sum gross payment of two thousand dollars (\$2,000) to eligible employees in specified Unrepresented M-designated and non-management related to management classifications as outlined in Section II of the attached Salary Ordinance amendment and who are in paid status in the pay period containing May 12, 2024,
- iv. Update Section 6-6 (Longevity) to establish longevity pay of up to two percent (2%) effective May 12, 2024, for specified representation units, including some language and formatting clean up, and
- v. Add Section 7-20 (Retirement) to incorporate applicable retirement benefits language as outlined in Resolution No. R-2002-463, including an employer paid member contribution ("EPMC") amendment effective May 12, 2024; and

2. Adopt an Administrative Code amendment to add new subsection 2.02.190 (Code of Ethical Conduct) under Chapter 2.02 (General Administrative Rules).

DISCUSSION/SUMMARY:

The GSA requested that the Human Resource Services Department ("HRS") create a trainee/entry-level classification of Project Manager Trainee, GSA (JC 9703) as part of the existing project manager classification series, to provide a career path for the project manager profession. Currently, GSA has the classifications of Project Manager, GSA (JC 9700) and Senior Project Manager, GSA (JC 9701) which serves as the journey- and advanced-journey levels, respectively. The new classification will serve as the trainee/entry-level in the series and provide incumbents a lengthy career ladder/progression in the classification series. The new classification specification was approved by the Civil Service Commission on November 1, 2023. Staff conducted an external salary survey of the five (5) Bay Area counties,

however staff determined there was insufficient market data to establish a valid salary survey. As such, staff determined that the proposed salary for the Project Manager Trainee, GSA (JC 9703) classification will be based on an internal relationship, equivalent to classification of Administrative Specialist II (JC 0219) as outlined in the attached Salary Ordinance amendment. The basis of this recommendation is that the preponderance of the duties of the trainee classification are similar in level and scope to those of the Administrative Specialist II (JC 0219) classification.

In addition, staff recommends your Board approve increasing the salaries of specified unrepresented M-designated and non-management related to management classifications as outlined in the attached Salary Ordinance amendment by six percent (6%) effective May 12, 2024. Moreover, staff recommends adding subsection 3-21.111 to the Salary Ordinance to provide a one-time lump sum gross payment of two thousand dollars (\$2,000) to employees in the Unrepresented M-designated and non-management related to management classifications who are in paid status in the pay period containing May 12, 2024, and that said new subsection shall sunset on December 21, 2024 and be deleted from the Salary Ordinance upon the sunset date. Further, staff recommends updating Section 6-6 (Longevity) of the Salary Ordinance to establish longevity pay of up to two percent (2%) for eligible employees in specified representation units effective May 12, 2024, including some language and formatting cleanup. And, adding Section 7-20 (Retirement) to the Salary Ordinance to incorporate applicable retirement benefits language as outlined in Resolution No. R-2002-463, including an EPMC amendment effective May 12, 2024.

In addition, on March 8, 2022, your Board authorized to reestablish and amend subsection 3-17.25 of the Salary Ordinance, a footnote for one (1) employee in the classification of Chief Departmental Human Resources Administrator (JC 0465) when assigned unique and extensive recruitment and retention activities for sworn personnel, to receive additional compensation of eight percent (8%) of the base pay effective March 20, 2022. The additional compensation was warranted as the incumbent was assigned to perform unique and extensive recruitment and retention activities including specialized hiring, outreach, and administration of the Alameda County Sheriff's Office ("ACSO") recruitment and retention incentive program, and succession planning of sworn personnel. Said footnote was subject to a review by the Director of Human Resource Services on or before March 19, 2024.

After consultation with ACSO, it was determined that the recruitment and retention activities related to the footnote are no longer unique nor extensive. Therefore, staff recommends deleting subsection 3-17.25 of the Salary Ordinance in its entirety effective April 27, 2024.

Lastly, on March 11, 2024, staff concluded meet and confer obligations with all employee organizations regarding the addition of a new Section 2.02.190 (Code of Ethical Conduct) to the County of Alameda's ("County") Administrative Code, Chapter 2.02 (General Administrative Rules). This new Section 2.02.190 codifies the existing expectations and responsibilities of all County employees and will serve as the County's general Code of Ethics policy statement. The addition of this Section 2.02.190 does not create new requirements for employees, as all County employees are currently held to the same standards to provide County services to our communities with ethics, honesty, integrity, and respect while continuing to adhere to all federal, state, county and local laws, ordinances, and regulations.

SECTION VI

Article 7, Section 7-20 (Retirement) of the County of Alameda Salary Ordinance is hereby added to read as follows:

Eligible employees become members of the Alameda County Employee Retirement Association ("ACERA").

The County of Alameda ("County") contribution, or employer paid member contribution ("EPMC"), set forth in item #1 ("Classic" Members) shall be for eligible unrepresented management employees in Representation Units U15, U44, U45, U49, U50, U65, 043, 046, 051, 066, 068, 071, who are full-time employees on full-time paid status. If the employee is on paid status less than full-time, the County contribution shall be prorated each pay period based upon pensionable earnings within that biweekly pay period to the normal full-time biweekly pay period for the job classification.

1. "Classic" Members: Effective December 22, 2002, for employees who are "classic" members of ACERA, the County shall contribute toward the employee contribution to ACERA in an amount equal to three percent (3%) of the employee's salary.

Effective December 22, 2002, for employees who are 30-year members of ACERA and no longer make contributions to ACERA because they are 30-year members, the County shall pay an amount equal to three percent (3%) of the employee's salary to a 401(A) Plan.

2. "New" Members: Employees who are Tier 4 members of ACERA are excluded from the provision of item #1 ("Classic" Members), above.

The contributions set forth in this provision by the County to ACERA are being paid in lieu of wages and shall be reported as normal contributions and credited to member accounts. The contribution shall remain the property of the County and shall not become part of the accumulated contributions of the member nor create vested rights for any member. The County's Auditor-Controller's Office shall pay to ACERA the retirement contribution from the same source of funds as used for salary compensation.
