SUBJECT: APPROVE A COMMUNITY-BASED ORGANIZATION MASTER CONTRACT AMENDMENT FOR A LEGAL NAME CHANGE FOR ALAMEDA COUNTY MENTAL HEALTH NETWORK OF MENTAL HEALTH CLIENTS TO PEER WELLNESS COLLECTIVE

Dear Board Members:

RECOMMENDATION

Approve an amendment to the community-based organization Master Contract No. 900104 to reflect the legal name change of Alameda County Network of Mental Health Clients to Peer Wellness Collective (Principal: Katrina Killian; Location: Berkeley) to provide mental health services for adults and children in Alameda County.

DISCUSSION/SUMMARY

Alameda County Behavioral Health Care Services (ACBH) is requesting approval of an amendment to the Community-Based Organization Master Contract entered into on July 1, 1993, changing the name from Alameda County Network of Mental Health Clients (ACNMHC) to Peer Wellness Collaborative. This change shall be effective November 16, 2022, when the name change was official with the State of California, Secretary of State.

ACBH currently contracts with ACNMHC to operate peer-led support groups, employment readiness trainings, payee services, housing search support, a volunteer visitor program for mental health board and care facilities, and linkages to other mental health and community resources.

This contract amendment is to formalize the legal name change of an existing contracted provider. Your Board's approval will allow ACBH to continue to reimburse this agency for contracted peer support services that were approved by your Board under the prior organization name on June 7, 2022 (Item No. 12). Your Board's approval will not change the amount or type of contracted services.

SELECTION CRITERIA

ACNMHC is a local, consumer-operated organization which has been contracted with ACBH for over 40 years to provide advocacy and peer support services for consumers of behavioral health services. The original selection of ACNMHC to provide these services is unknown. As a non-profit CBO, this provider is exempt from the Small, Local, and Emerging Business provisions.
