Agenda _____ June 28, 2011

June 1, 2011

The Honorable Board of Supervisors
Administration Building
Oakland, CA 94612

Dear Board Members:

**SUBJECT: BEHAVIORAL HEALTH CARE SERVICES (BHCS) MENTAL HEALTH -
FY 11-12 MASTER CONTRACTS**

RECOMMENDATIONS:

1. Approve the FY 11-12 renewal of Behavioral Health Care Services Mental Health master contracts with the community based organizations (CBOs) listed on Attachment A; and
2. Approve the execution of interim contracts for each community based organization in amounts not to exceed those listed on Attachment A;
3. Approve the waiver of SLEB requirements for the two providers that are for profit: Telecare Corporation and STARS; and
4. Authorize the Director of Behavioral Health Care Services and/or her designee to negotiate and execute master contract exhibits on your behalf and submit originals to the Clerk of the Board for filing.

SUMMARY/DISCUSSION:

Approval to negotiate the renewal of master contract exhibits with the CBOs listed on the attached is requested in order to provide uninterrupted services until new exhibits are negotiated. Your Board has traditionally approved this request in order to allow the department some flexibility in the time frame required to negotiate contracts.

SELECTION CRITERIA AND PROCESS:

At the time of the writing of this board letter, documentation of the original selection for these providers could not be found. All but two of the CBOs listed on the attachment are non-profit

organizations that are exempt from the County's SLEB policy. However, some of the CBOs have elected to participate in the SLEB program and their certification number is included on Attachment A. The two organizations that are for-profit are Telecare Corporation and STARS. Telecare Corp. has been a provider of services for more than twenty years. STARS has been a provider since the early 1990's when it was awarded a contract for the STARS children's program on the Fairmont Campus. The services provided by Telecare and STARS are clinical in nature and supported by Medi-Cal funding. State Medi-Cal regulations do not allow for clinical services to be sub-contracted with entities that are subject to the cost reporting requirements of the state. This regulatory requirement is supported by good clinical practice for providing continuity of care to clients and prevents STARS and Telecare from participating in the sub-contracting provisions of the SLEB policy.

FINANCING:

Funding for these contracts is included in the Behavioral Health Care Services budget. There is no increase in net County cost.

Respectfully submitted,

Alex Briscoe, Director
Health Care Services Agency
