Subject: Job Code Number of a Class in the Alameda County Fire Department

Dear Board Members:

Recommendation:

That your Board change the job code number of a job class in the Alameda County Fire Department.

Discussion/Findings:

In an earlier action, we inadvertently submitted an incorrect job code number for the job class of Fire Department Telecommunications Specialist in the Alameda County Fire Department. To correct that error, we are recommending the deletion of job code number 8812 and establishing the new job code of 8213, Fire Department Telecommunications Specialist.

Financing:

There are no costs resulting from this action.

Very truly yours,

Mary Welch
