On 7/10/18, your board approved the fourth consecutive one year contract between the County of Alameda and the Alameda County Deputy Sheriffs' Activities League, Inc. (DSAL) (C-16940) in the amount of \$250,000. On 12/4/18, your Board approved a contract amendment, increasing the contract amount to \$500,000. The Deputy Sheriffs' Activities League continues to successfully provide the Sheriff's Office with services that support their overall strategy to build safer and healthier communities as a means for reducing crime and fostering healthy behaviors. The Deputy Sheriffs' Activities League will also continue to provide services and perform activities to support the REACH Ashland Youth Center in providing high-quality educational support to REACH participants and increase service coordination among other recreation partners. In carrying out the work contemplated herein, Contractor shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as independent contractors and shall not be treated or considered in any way as officers, agents and/or employees of County.

Contractor does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with currently approved methods and practices in his/her field and that the sole interest of County is to insure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the County agency concerned.

Supervisors, employees and agents from and against any and all claims, losses, damages, liabilities and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of services under this Agreement, provided that any such claim, loss, damage, liability or expense is attributable to bodily injury, sickness, disease, death or to injury to or destruction of property, including the loss therefrom, or to any violation of federal, state or municipal law or regulation, which arises out of or is any way connected with the performance of this agreement (collectively "Liabilities") except where such Liabilities are caused solely by the negligence or willful misconduct of any indemnitee. The County may participate in the defense of any such claim without relieving Contractor of any obligation hereunder. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Alameda County Employees' Retirement Association (ACERA) or California Public Employees' Retirement System (PERS) to be eligible for enrollment in ACERA and PERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for ACERA and PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

The Deputy Sheriffs' Activities League ("Contractor" or "DSAL") shall provide the Alameda County Sheriff's Office ("ACSO") with services that support their Community Capitals Policing strategy to build safer and healthier communities as a means for reducing crime and unhealthy behaviors.

ACSO's Youth and Family Services Bureau, Community Policing Unit ("YFSB-CPU") employs a place-based strategy to organize resources, supports and opportunities in the community to promote youth and family success in a geographic area. To promote this strategy, DSAL shall work to leverage resources across different public systems, create a continuum of supports and opportunities for youth and families, adopt best practices and align public systems to have a greater collective impact on large-scale social change. DSAL is focused on seven (7) program areas that best reflect the mission and objectives of ACSO and the DSAL organization as it strives to meet the continuously evolving needs of the community at-large. These program areas are connected to each of the Capitals in the Community Capitals Policing model: Human Capital, Cultural Capital, Built Capital, Financial Capital, Natural Capital, Social Capital, and Political Capital.

For the purpose of this contract's scope of services, DSAL will focus on Human Capital which is SUPPORTING HEALTHY, EDUCATED RESIDENTS. DSAL is budgeting for the maintenance of our various fitness, dance, martial arts, recreation and sports programs throughout the Ashland, Cherryland, and San Lorenzo communities. These programs are offered to youth and families at the REACH Ashland Youth Center, the Hayward Adult School boxing gym and fitness arena, the soccer park at 166th Avenue in Ashland and various fields in the San Lorenzo and Hayward Unified School Districts. In FY 1819, DSAL served over 6,000 individuals and expects to serve closer to 7,000 individuals in FY 1920.
