SUBJECT: AUTHORIZE A SECOND AMENDMENT TO EXTEND THE CONTRACT WITH CALIFORNIA FORENSIC MEDICAL GROUP FOR COMPREHENSIVE MEDICAL CARE SERVICES. MASTER CONTRACT NO. 901426; PROCUREMENT CONTRACT NO. 13418; AMOUNT: $135,382,762

Dear Board Members:

RECOMMENDATION:

Authorize the Purchasing Agent to execute Amendment No. 2 to the contract (Master Contract No. 901426; Procurement Contract No. 13418) with California Forensic Medical Group (Principal: Raymond Herr, M.D.; Location: Monterey) to provide comprehensive medical care services to the Alameda County Sheriff's Office, extending the current term of 8/8/16 - 8/7/19 by two years until 8/7/21, with no increase in the contract amount of $135,382,762.

DISCUSSION/SUMMARY:

On August 5, 2016, your Board approved (File No. 29826, Item No. 1) a three-year contract from August 8, 2016 until August 7, 2019 with California Forensic Medical Group to provide comprehensive medical care services to the Alameda County Sheriff's Office (ACSO) inmates. On June 19, 2018, your Board approved (File No. 30092, Item No. 84) to increase the contract from $135,335,762 to $135,382,762 ($50,000 increase) to add a registered dietitian.

The Alameda County detention and correction facility is managed by the ACSO, who is primarily accountable for the care, custody, and control of the inmates housed at the Santa Rita Jail (SRJ), located at 5325 Broder Boulevard, Dublin.

In recent years, approximately 35,000 inmates have been processed through the County's detention and corrections' facilities each year. The inmate population is cyclical, typically with a higher census during the winter months. The average daily population of inmates ranges from 2,400 to 2,800. As many medical services as possible are provided to the inmates within the facility, rather than taking the inmates to a separate medical facility.
This amendment will allow for continuity of comprehensive medical care services for the remainder of the contract term. This contract allows for an extension by mutual agreement.

**SELECTION CRITERIA/PROCESS:**

The ACSO worked with General Services Agency (GSA)-Procurement to develop a Request For Proposal (RFP). The RFP was issued on February 2, 2016 and resulted in three responses. California Forensic Medical Group was the highest scoring vendor, met all the requirements of the RFP, and received favorable references.

ACSO is satisfied with the services provided by California Forensic Medical Group. There is no opportunity to subcontract for comprehensive medical care services; therefore, the Small Local Emerging Business (SLEB) requirement for this contract was waived. GSA-Office of Acquisition Policy issued SLEB Waiver #6101, valid through August 7, 2021.

**FINANCING:**

Appropriations for this contract are included in the ACSO Fiscal Year 2019-20 MOE Budget and will be requested in the future budget years. No additional appropriations are required, and there will be no increase in net County cost.

**VISION 2026 GOAL:**

Comprehensive medical care services meets the 10x goal pathways of Health Care for All in support of our shared vision of a Healthy Environment.

Respectfully submitted,
