**SUBJECT: AWARD A CONTRACT TO DU-ALL SAFETY, LLC FOR OCCUPATIONAL SAFETY AND HEALTH AND ENVIRONMENTAL CONSULTATION SERVICES; MASTER CONTRACT NO. 902319; PROCUREMENT CONTRACT NO. 26098; AMOUNT: \$541,050**

Dear Board Members:

**RECOMMENDATION:**

Authorize the Purchasing Agent, or her designee, to execute a contract (Master Contract No. 902319; Procurement Contract No. 26098) with Du-All Safety, LLC (Principal: Terry McCarthy; Location: Fremont) to provide occupational safety and health and environmental consultation services for the term of 1/1/24 – 12/31/2026, in the amount of \$541,050.

**DISCUSSION/SUMMARY:**

The Alameda County Administrator's Office – Risk Management Unit (CAO-RMU) contracts with a vendor to provide to County agencies and departments, upon request, safety training and safety consultation services as required by the California Occupational Safety and Health Act (Cal/OSHA), U.S. Department of Transportation (DOT) standards, and applicable County policies and/or regulations. This includes analysis of the frequency and severity of corresponding workers' compensation and liability claim trends and services provided to prevent employee injury and illness in order to reduce loss associated with injury and illness claims. In addition, CAO-RMU provides safety consultation services to a small number of outside agencies that have contract agreements with the County.

CAO-RMU recognizes that a safe and healthful workplace is accomplished through communication, training, ongoing inspections, and collaborative investigations. Responses to safety concerns must be given high priority at every level of the County. The vendor for this contract will consult with CAO-RMU to perform safety oversight, conduct risk management evaluations, develop written safety protocols, and perform health and safety exposure assessments,

including the development and ongoing administration of the County's Injury and Illness Prevention Program. The vendor will assess and provide solutions for unique loss exposure, including training and education activities that promote the health and well-being of County employees and meet the occupational health and safety requirements of Cal/OSHA, DOT, and other State and federal agencies. This contract will be specifically managed by CAO-RMU.

**SELECTION CRITERIA/PROCESS:**

*CAO-RMU has determined that Alameda County does not currently have the resources to provide occupational safety, health, and environmental consultation services.*

*CAO-RMU worked with General Services Agency (GSA) – Procurement to develop a Request for Proposal (RFP), which was issued on June 5, 2023, posted on the County and GSA LinkedIn websites for 38 days, sent to the E-Gov Professional Services – Current Contract Opportunities mailing service, and emailed to the Chambers of Commerce e-mail group. The RFP was also advertised in the Inter-City Express on June 7, 2023 and in the Oakland Post on June 14, 2023. A vendor outreach event was conducted on June 14, 2023, followed by one networking/bidders conference on June 15, 2023, that was not attended by any vendors.*

*On July 13, 2023, four bidders submitted responses to the RFP. The County Selection Committee evaluated all responses and interviewed the bidders. A maximum total of 550 evaluation points was available for this RFP. The total evaluation points included 50 preference points derived from a 5% preference for local vendors and a 5% preference for certified Small Local Emerging Business (SLEB) vendors, for a total of 10%.*

*Du-All Safety, LLC was the highest scoring responsive vendor and is being recommended for award. Du-All Safety, LLC is a certified SLEB (Certified Small:07-91001; Expiration: April 30, 2024).*

*The following is the evaluation summary:*
