Honorable Board of Supervisors County Administration Building 1221 Oak Street, Room 536 Oakland, CA 94612

SUBJECT:

Approve a Contract with Camp Parks Reserve Forces Training Area for

Dispatch Services

RECOMMENDATION:

It is respectfully requested that your Honorable Board approve and sign a contract by and between the County of Alameda and Army Contracting Agency (ACA), (Principal, Major Warren Seymour, Army Contracting Officer, Building 312, 9th Street, Camp Parks, CA 94568) to provide 24 hour emergency communication capabilities for Camp Parks Reserve Forces Training Area effective October 1, 2008 through September 30, 2009.

SUMMARY:

The Alameda County Sheriff's Office has had a contract to provide emergency communication capabilities to Camp Parks Reserve Forces Training Area continuously since April 1, 1995. This one (1) year contract renewal will be for the period October 1, 2008 through September 30, 2009.

DISCUSSION/FINDINGS:

Camp Parks has a primary mission of exercising the functions of command, training, security, administration, servicing and supply to all troop units and military activities. It serves as a mobilization and training center for reserve components in the event of war or natural disaster.

The Alameda County Sheriff's Office and Camp Parks have agreed to a contract that will provide emergency dispatch services to Camp Parks. Camp Parks must be able to receive and transmit 9-1-1 emergency and seven digit telephone calls requesting service and

dispatch calls for service to patrol and investigative units. The Alameda County Sheriff's Office will also provide Camp Parks Law Enforcement access to Intergraph software and license fees for three laptops in patrol cars at Camp Parks, which would provide a link to various law enforcement data bases such as: Police Information System (PIN), California Law Enforcement Telecommunications System (CLETS), Department of Justice (DOJ) and the National Crime Information Center (NCIC) on a right-to-know basis. Finally the Alameda County Sheriff's Office will provide maintenance of Motorola 800 MHZ radio equipment used for communications. Camp Parks will pay the Sheriff's Office the amount of \$51,866.40, which is based on an estimated 2,000 dispatch calls for the period of the contract.

FINANCING:

No additional appropriation is required. The amount of \$51,108 estimated revenue from Camp Parks was included in the FY 2008-2009 MOE Budget. This request does not increase the net County cost in FY2008-2009 or future years.

CLAUSES INCORPORATED BY FULL TEXT

52.212-4 CONTRACT TERMS AND CONDITIONS-- COMMERCIAL ITEMS (FEB 2007)

- (a) Inspection/Acceptance. The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.
- (b) Assignment. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

- (d) Disputes. This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613). The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.
- (e) Definitions. The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.
- (n) Title. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.
- (o) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- (p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.
- (q) Other compliances. The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.
- (r) Compliance with laws unique to Government contracts. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, et seq., Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58, Anti-Kickback Act of 1986; 41 U.S.C. 265 and 10 U.S.C. 2409 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. 423 relating to procurement integrity.
