SUMMARY:

The California Elections Code provides that at a General District Election where the number of persons who have filed a declaration of candidacy does not exceed the number of persons to be elected, the election shall not be held unless a petition requesting an election for such offices is filed with the Registrar of Voters. If no petition is filed, the Registrar of Voters is required to submit a Certificate of the facts to your Board requesting appointment of the persons who have been nominated for the specified elective office.

DISCUSSION/FINDINGS:

The Pleasanton Unified School District was scheduled to hold a General District Election on November 6, 2012 for the purpose of electing three (3) members to the office of Governing Board Member. Only three (3) persons were nominated. No petition was filed to request that the election be held. Therefore, in accordance with Elections Code Section 10515, a General District Election was not held in the Pleasanton Unified School District. Upon receipt of my Certificate as to these facts, pursuant to Section 10515, your Board is respectfully requested to appoint the persons who have been nominated for the terms prescribed by law.

FINANCING:

These actions will have no financial impact on the County.

Sincerely,
