Deportations under the Obama administration have increased significantly, at approximately 2 million, compared to 2 million deportations between 1892 and 1997. Unlawful deportations and detainers increase family separation and immigrant families suffer undue violence for fear of calling police for fear of deportation.

The Immigrant Legal Resource Center requests the Board of Supervisors to pass a resolution to uphold due process and protect civil rights of immigrant residents and urge the Sheriff's Office to change its policy regarding reporting immigrants to the Immigrations and Customs Enforcement Agency.
