Funded projects will be awarded 8-month grants ranging from \$15,000 – 20,000 with the possibility of being renewed for an additional year contingent on meeting performance goals.

The Community Grants Program is seeking community-based organizations with a desire to reduce and prevent tobacco use in their communities using strategies and interventions that address the factors which lead to the initiation and continuation of tobacco use.

Organizations with a demonstrated track record in addressing health inequities in low income communities are especially encouraged to apply.

The RFP and other related documents will be available on the Alameda County Tobacco Control Coalition website: www.tobaccofreealamedacounty.org soon after RFP release date of July 24, 2012.

Application Due Date:
