HEALTH PROJECT**

# Health Access Program

Mental Health  
Counseling

Screening Clinic and  
Referral Program

Herbal and Nutrition  
Consultations

# STREET LEVEL HEALTH PROJECT

## Lessons Learned

- Flexible/adaptable
- Trains volunteers
- Collaborates
- Partners with clinics & hospitals

## STREET LEVEL HEALTH PROJECT

# Recommendations

- Place health portals with the targeted community in mind, with culturally sensitive staff
- Bring together institutions and CBOs to provide community health care services
- Keep funding sources available to support the remaining uninsured that do not qualify for health care reform
- Incorporate grassroots organizations

**STREET LEVEL  
HEALTH PROJECT**

**Thank You**
