

District 5 Boards and Commissions Vacancies

Passionate about serving your community? Supervisor Keith Carson is currently accepting applications from residents in the Fifth Supervisorial District who are interested in serving on a countywide board or commission.

Boards and commissions were established to help the Board of Supervisors deal with the many duties and responsibilities of local county government by providing forums for citizen input on certain issues or policies. The Board relies on these groups to advise them on a wide range of issues affecting their constituencies and to assure they are responsive to community needs.
