

South Alameda County Agencies:

Present:

The Green Advantage: Builder and Developer Forum
An Update on South Alameda County Green Building

Who should attend this event: Builders and Developers

Forum agenda will include presentations on:

- Residential rating systems: GreenPoint Rated and LEED for Homes
- Updated information on green building policies and initiatives for respective South Alameda County municipalities
- Advantages and challenges in building green: The builder's perspective

Forum benefits:

- Acquire an understanding of residential rating systems and resources available in developing green.
- Learn about current and future green building policy in South Alameda County.
- Hear developers' view on the advantages and challenges in building green.
