

Healthy Nail Salon Recognition Program: Registration Form

Instructions: Please complete the registration form and submit in person, via email (Pamela.evans@acgov.org) or mail to: Pamela Evans, Alameda County Environmental Health, 1131 Harbor Bay Parkway, Alameda CA 94502

Description and Eligibility Criteria

In order to qualify for the Healthy Nail Salon Recognition Program, salons must be in compliance with the Board of Barbering and Cosmetology's professional code, must choose safer nail products and must implement safer practices as established by Alameda County's Healthy Nail Salon Recognition Program.

1. Choose nail polishes that do not contain the toxic trio (dibutyl phthalate (DBP), toluene, and formaldehyde).
2. Use safer nail polish removers, including but not limited to acetone.
3. Avoid using nail polish thinners unless absolutely necessary. When using thinners do not use those containing toluene and methyl ethyl ketone (MEK).
4. Ensure that all nail salon staff wear nitrile gloves when using nail products.
5. Ventilate the salon to improve air quality in the salon. Designate a specific area for artificial nail services and properly ventilate the area.
6. Install mechanical ventilation unit(s) within one year of entering recognition program, if one does not already exist.
7. Train all nail salon staff onsite (on payroll and on contract) and owners on safer practices using SFE's guide if one does not already exist.
8. Allow Alameda County program staff to monitor air quality within the salon.
9. Be committed to trying and adopting safer artificial nail products.
10. Do not allow customers to bring in products unless they meet program criteria.

Safer products and practices will be determined by Alameda County program staff on a case by case basis in consultation with nail salons.
