SATISFACTION SURVEY

The Alameda County Department of Environmental Health has been designated by the State of California to oversee State and Federal environmental requirements for areas of Alameda County. Our goal is to provide the business community with the best possible service and your comments are vital to our success. Please help us to serve you and the community better by taking a few minutes to complete this survey and return it to our office in the self addressed stamped envelope provided.

What was the nature of your contact with us?
