Sec. 2: The powers mentioned in the preceding section can be exercised only by a Board of Supervisors or by agents and officers acting under their authority or by authority of law or of this Charter.

Sec. 3: The corporate name shall be “County of Alameda,” which must be thus designated in all actions and proceedings touching its corporate rights, properties and duties. Its boundaries and county seat shall remain the same as they are now, until otherwise changed by law.

BOARD OF SUPERVISORS

Sec. 4: The County of Alameda shall have a Board of Supervisors consisting of five members who shall have such executive, legislative and other powers as are now or may be hereafter specified by the Constitution or laws of the State of California or by this Charter. Each member must be an elector of the district which he/she represents, must reside therein during his/her incumbency, and shall be nominated and elected at the time and in the manner and for the term now or hereafter provided by general law. Each member of the Board of Supervisors shall receive as compensation for his/her services as such Supervisor the salary fixed by general law. (Amendment ratified November 4, 1986. In effect January 13, 1987.)

Sec. 5: (Repealed. Repeal ratified June 4, 1946. Effective July 25, 1946.)

Sec. 6: The County of Alameda is hereby divided into five supervisor districts, the boundaries and designations of which shall be and remain as they now are until otherwise changed as provided in this Charter.

Sec. 7: The Board of Supervisors may by a two-thirds vote of its members, change the boundaries of any or all of the supervisorial districts of the county; provided, however, that the Board shall, by January 31, 1956, and at intervals of not more than every ten years after said date, change the boundaries of the supervisorial districts of the county pursuant to the method and limitations prescribed by this Section, giving consideration to the following factors: (a) population, (b) topography, (c) geography, (d) cohesiveness, contiguity, integrity, and compactness of territory, and (e) community of interests of the districts. A change in the boundaries of a supervisorial district shall not be made within a period commencing ninety days preceding a primary election and ending the day after the succeeding general election. (Amendment ratified June 8, 1954. In effect March 8, 1955.)

Sec. 8: Whenever a vacancy occurs on the Board of Supervisors, the Board of Supervisors shall fill the vacancy, provided that, if it shall fail to fill the vacancy within 60 days following its occurrence, the Governor shall fill the vacancy. The appointee shall hold office until the election and qualification of his/her successor. In the performance of such duty, the Commission shall be guided by the principles presently set forth in Section 18,801 of the Government Code of the State of California. (d) To examine the payrolls of all employees in the classified civil service and the County Auditor shall not pay or approve any payment of salaries to such persons unless there appears on the payroll therefore, a certification by the Commission that the persons named thereon have been appointed to their respective positions in accordance with the provisions of this Charter. (Amendment ratified November 5, 1940. In effect December 4, 1940.)

(Amendment ratified November 2, 1954. In effect March 8, 1955.)

Sec. 37: Appointments to positions in the classified civil service shall be either regular or temporary.

Whenever a position in the competitive classified civil service is to be filled by a regular appointment, the appointing authority shall notify the Commission of that fact, and the Commission shall certify the names and addresses of the candidates having the five highest scores on the eligible list for the class or grade to which such position belongs, and the appointing authority shall appoint to such position one of the persons certified to him.

If a candidate refuses three offers of a regular appointment from the same eligible list, his name shall be moved to the last place on said list, provided however, that a candidate may file a written request with the Commission that his name be withheld from certification, in which event he shall not be certified until he files a written request with the Commission that his name be restored on said list if said list is then in existence.

Whenever a position in the competitive classified civil service is to be filled by a temporary appointment the appointing authority shall notify the Commission of the fact, stating the length of employment, which shall not exceed a period of five months except when employed for the duration of a leave of absence, and the Commission shall certify the names and addresses of the candidates having the five highest scores on the eligible list for the class or grade to which such position belongs, who have filed with the commission a written request for temporary appointments, and the appointing authority shall appoint to such position one of the persons certified to him.

During the time a person is occupying a position under a temporary appointment, such person shall be eligible to certification for a regular appointment in the same manner as though such person had not received a temporary appointment.

Employment under a temporary appointment, or under a temporary appointment for the duration of a leave of absence, shall give no right or preference to a regular appointment, and shall serve as no part of a period of probation.

A person in any position in the classified civil service may be appointed to another position of no higher rate of compensation in the same class and grade without certification from an eligible list with the written consent of himself, and where the appointment is to another county department then also with the written consents of the appointing authorities, such consent or consents being first filed with the County Clerk and duplicate copies thereof being filed with the Civil Service Commission. (a) In entrance examinations: Disabled Veterans, 10 points; All other Veterans, 5 points;
(b) In promotional examinations: Disabled Veterans, 3 points; All other Veterans, 1 point.

For the purpose of this section “disabled veteran” means any veteran as defined herein who is currently declared by the United States Veterans Administration to be 10 percent or more disabled as a result of his service. (Amendment ratified June 7, 1966. In effect February 27, 1967.)

Sec. 40: Any officer or employee in the classified civil service may be removed, suspended or reduced in rank or compensation by the appointing authority, after appointment or promotion is complete, by an order in writing, stating specifically the reasons therefore. Said order shall be filed with the Civil Service Commission and a copy thereof shall be furnished to the person to be removed, suspended or reduced. Such employee may reply in writing to said order within ten days from the date of filing said order with the Civil Service Commission. Any person removed, suspended or reduced in rank or compensation, may, within ten working days after presentation to him of the order of removal, suspension or reduction as herein above provided, appeal to the Civil Service Commission from such order. The Commission shall within two weeks from the filing of said appeal, commence the hearing thereof, and shall thereupon fully hear and determine the matter, and either affirm, modify or revoke such order. The appellant shall be entitled to appear personally, produce evidence, and to have counsel and a public hearing. The finding and decision of the Commission shall be certified to the official from whose order the appeal is taken, and shall forthwith be enforced and followed by him. (Amendment ratified June 7, 1966. In effect February 27, 1967.)

Sec. 41: (Repealed. Repeal ratified November 4, 1986, effective January 13, 1987.)

Sec. 42: The Commission, for the purpose of carrying into effect the civil service provision of this Charter, shall have power to investigate the conduct and operation of any department or board, and to subpoena and require the attendance of witnesses and the production of books and papers, and to administer oaths. Any person failing to obey its subpoena or refusing to testify or produce books, or papers required of him shall be deemed to be in contempt, and the Commission shall have power to take such proceedings in the punishment thereof as may be taken by boards of supervisors as provided by the laws of the State of California.

Sec. 43: The Commission shall have power to adopt such rules as may be necessary and proper for the enforcement of the foregoing provisions of this Charter.

Sec. 44: No person in the classified civil service or seeking admission thereto, shall be appointed, reduced or removed, or in any way favored or discriminated against because of his political or religious opinions or affiliations or because of race or national origin. (Amendment ratified June 2, 1964. In effect March 18, 1965.)

Sec. 45: If any portion of this Charter relating to civil service should be held to be unconstitutional, the Board of Supervisors shall, by ordinance, provide for a civil service of the County, prescribe the duties of the Civil Service Commission, and such civil service rules and regulations as they shall...
deem proper to govern the appointment of any and all officers, assistants, deputies, clerks, attaches, and other persons to be employed in the several offices and institutions of the County.

LABOR

Sec. 46: In the employment of persons in the service of the County where sex does not actually disqualify, and where the equality and quantity of service is equal, there shall be no discrimination in selection or compensation on account of sex.

Sec. 47: The Board of Supervisors shall provide the number of hours, but not to exceed eight hours, that shall constitute a day’s work for mechanics and others engaged in manual labor in the service of the county; said number of hours to be the prevailing number of hours constituting a day’s work for such service rendered in private employment. (Amendment ratified June 4, 1946. In effect July 25, 1946.)

Sec. 48: In fixing compensation, the Board of Supervisors shall in each instance provide a salary or wage at least equal to the prevailing salary or wage, for the same quality of service rendered to public employers and private persons, firms or corporations under similar employment, in case such prevailing salary or wage can be ascertained. (Amendment ratified June 2, 1964. In effect March 18, 1965.)

BUDGET

Sec. 49: On or before the first Monday in July of each year every Department, Office, Court, District, Board and Commission of the County shall file with the Auditor an estimate in writing of the amount of expenditures specifying in detail the objects thereof required in such Department, Office, Court, District, Board or Commission, for the current fiscal year, including a statement of all salaries.

Sec. 50: On or before the first Monday in August of each year the Auditor shall transmit to the Board of Supervisors a budget in writing containing an estimate of the expenditures of the County for the current fiscal year as determined by the reports filed as required by the preceding section. Said budget shall include an estimate of the probable revenue of the County exclusive of taxes upon property, classified in detail according to sources; a statement of the amounts necessary to meet the interest and principal of all bonded indebtedness, and the following information arranged in parallel columns:

(a) Detailed estimate of the expense of conducting each Department, Office, Court, District, Board and Commission as transmitted to him by the respective Departments, Offices, Courts, Districts, Boards and Commissions.

(b) Expenditures for corresponding items for the last two fiscal years.

(c) Detailed objects of expenditures.

(d) Such other information as the Board of Supervisors may require.

Said budget also shall include an estimate of the probable amount required to be levied and raised by taxation.

Sec. 51: The Board of Supervisors upon receipt of the budget from the Auditor, shall proceed to the consideration thereof at public hearings, notice of which shall be given in the manner prescribed by the Board.

Sec. 52: The Board of Supervisors, on the first Tuesday in September of each year, shall finally pass the annual appropriation ordinance, which ordinance shall provide for the entire cost of the
County government during the current fiscal year. Said ordinance shall take effect immediately upon its passage.

No salary or compensation of any appointive officer or employee shall be increased except by provision made therefore in the annual appropriation ordinance. The Board shall have power to create additional offices or positions to provide for urgent necessities.

Sec. 53: The Board of Supervisors may appropriate a sum each year for urgent necessities. No money shall be paid out of such appropriation unless authorized by a four-fifths vote of the Board.

Sec. 54: No expenditure shall be made unless a specific appropriation shall have been made therefore in the annual appropriation ordinance, except as may be otherwise provided in this Charter.

Sec. 55: At the close of each fiscal year, the unexpended balance of each appropriation against which no salaries, contracts for work or supplies, or other commitments are outstanding, shall revert to the fund from which it has been appropriated. Any money in the general fund otherwise unappropriated may be appropriated by the Board of Supervisors at any time by ordinance.

Sec. 56: The Board of Supervisors shall authorize the disbursement of all public moneys except as otherwise specifically provided by law or by this Charter.

Sec. 57: The Board of Supervisors shall cause to be prepared a preliminary budget to cover all expenditures required between the first day of July in each year and the passage of the annual appropriation ordinance. No warrant shall be drawn except upon an unexhausted specific appropriation.

ANNUAL AUDIT OF ACCOUNTS

Sec. 58: At the beginning of each fiscal year the Board of Supervisors shall employ, at a stipulated compensation, a certified public accountant or accountants, who shall examine the books, records and reports for the preceding fiscal year, of all county and township officers and employees, and make duplicate reports of his or their finding thereon, one of which shall be filed with the Board of Supervisors and one with the Auditor. Such accountant or accountants shall have unlimited privilege of investigation, and the same powers with regard to compelling the attendance of witnesses, the production of books and papers, and the administering of oaths as are conferred on boards of supervisors. Every County and township officer and employee shall give all required assistance and information to such accountant or accountants, and submit to him or them, for examination such books and papers of his office as may be requested, and failing to do so may be removed from office.

APPRAISAL OF PROPERTY

Sec. 59: (Repealed. Repeal ratified January 9, 1931.)

MUNICIPAL FUNCTIONS

Sec. 60: The Board of Supervisors may require any county department, officer, board or commission, to perform any or all of the functions of any department, officer, board or commission of any city, town, district, or public agency in the county whenever requested by such city, town, district or public agency. The terms and conditions upon which such functions are to be performed by the county shall be fixed by agreement, which may provide for the consideration to be paid to the county, the including within county civil service with or without examination of any or all officers or employees who have been performing such functions for such city, town, district, or public
agency, and for the terms and conditions upon which such persons are to be employed in the
classified service of the county, including pension or retirement benefits, seniority, sick leave,
vacation or any other rights or benefits granted county employees. (Amendment ratified June 5,
1956. Effective January 24, 1957.)

Sec. 61: In every case where the County undertakes the collection of taxes for cities or towns, the
tax rate certified by such cities and towns shall be added to the tax rate fixed by the Board of
Supervisors in determining the total amount of taxes due on each assessment liable therefore, and
it shall not be necessary to enter said city or town tax in a separate column.

RECALL

Sec. 62: Any elective or appointive county or township officer may be recalled by the electors at
any time after he has held his office six months. Such recall shall be effected as follows: A petition
demanding the election or appointment of a successor to the person sought to be recalled shall be
filed with the County Clerk, which petition shall be signed by qualified electors equal in number to
at least fifteen percent of the entire vote cast within the County for all candidates for the office of
Governor of the State at the last preceding election at which a Governor was elected (or at least
twenty-five per cent of such vote cast within the district or township for which the officer sought to
be recalled was elected or appointed in case of an official not elected by, or appointed for the
County), and shall contain a statement of the grounds on which the recall is sought. No
insufficiency of form or substance in such statement shall affect the validity of the election and
proceedings held thereunder.

The signatures to the petition need not all be appended to one paper. Each signer shall add to his
signature his occupation and place of residence, giving street and number, or if no street or
number exist, then such a designation of his residence as will enable the location to be readily
ascertained. To each separate paper of such petition shall be attached an affidavit made by a
qualified elector of the County (or particular subdivision of the County as the case may be), stating
that the affiant circulated that particular paper and saw written the signatures appended thereto,
and that according to the information and belief of the affiant, each of said signatures is genuine
and the signature of a qualified elector of the County, or particular subdivision thereof, as the case
may be.

Within ten days from the filing of such petition the County Clerk shall, from the records of
registration, determine whether or not said petition is signed by the requisite number of qualified
electors, and he shall attach to said petition his certificate showing such determination. If such
certificate shows the petition to be insufficient it may be supplemented within ten days from the
date of the certificate by the filing of additional papers, duplicates of the original petition, except as
to the names signed. The County Clerk shall within ten days after such additional papers are filed,
ascertain from the records of registration and certify whether or not the names of such petition,
including such additional papers, are still insufficient, and if insufficient, no action shall be taken
thereon; but the petition shall remain on file as a public record. The failure to secure sufficient
names shall not prejudice the filing later of an entirely new petition to the same effect. If required
by the County Clerk, the Board of Supervisors shall authorize him to employ, and shall provide for
the compensation of persons necessary in the examination of said petition and supplementing
petition, in addition to the persons regularly employed by him in his office. In case the County Clerk
is the officer sought to be recalled, the duties in this Section provided to be performed by him, shall
be performed by some other person designated by said Board of Supervisors for this purpose.
If the petition shall be found to be sufficient, the County Clerk shall submit the same to the Board of
Supervisors without delay, whereupon the Board shall forthwith cause a special election to be held
not less than thirty-five nor more than forty days after the date of the order calling such an election,
to determine whether such officer shall be recalled; provided, that if an election is to occur in the
same territory within not less than thirty-five days or more than sixty days from the date of the order
calling such recall election, the Board may in its discretion, postpone the holding of such recall
election to such election.

If a vacancy occurs in said office after a recall petition if filed, and the office is elective, the election shall nevertheless proceed as in this Section provided. One petition is sufficient to propose the recall of one or more officials and the election of successors to such thereof as are elective. Nomination for any elective office under such recall election shall be made by petition in the manner prescribed by Section 1188 of the Political Code, except that no party affiliation of candidate, signer, or verification deputy shall be given, nor shall the participation in a primary election be a bar to signing such petition.

Upon the sample ballot there shall be printed in not more than two hundred words the grounds set forth in the recall petition for demanding the recall of the officer, and upon the same ballot in not more than two hundred words the officer may justify himself. There shall be printed on the recall ballot as to every officer whose recall is to be voted on, the following questions: “Shall (name of person against whom the recall petition is filed), be recalled from the office of (title of office)?” Following which question shall be the words “Yes” and “No” on separate lines, with a blank space at the right of each in which the voter shall be stamping a cross (X) indicate his vote for or against such recall. On such ballots under each question there shall also be printed, if the officer sought to be recalled by an elective officer, the names of those persons who shall have been nominated as candidates to succeed him in case he shall be recalled at such election, but no vote shall be counted for any candidate for said office unless the voter also voted on the question of the recall of the person sought to be recalled therefrom. The name of the person sought to be recalled shall not appear on the ballot as a candidate for the office.

If a majority of those voting on said question of the recall of any incumbent, shall vote “No”, said incumbent shall continue in said office. If a majority shall vote “Yes” said incumbent shall thereupon be deemed removed from such office, upon the qualification of his successor. The canvassers shall canvass the votes for candidates for said office and declare the result in like manner as in a general election. If the vote at any such recall election shall recall the officer, then the candidate who has received the highest number of votes for the office shall be thereby declared elected for the remainder of the term. In case the person who received the highest number of votes shall fail to qualify within ten days after receiving the certificate of election, the office shall be deemed vacant and shall be filled according to law. If the incumbent of an appointive office be recalled at such election, his successor shall be appointed immediately after the canvassing of the vote.

Before any petition can be filed under this Section for the recall of any person in the classified service of the County, there shall be presented to and passed upon by the Civil Service Commission, a complaint in writing giving the grounds for and asking the removal of such person. Such complaint must be considered and be finally acted upon by the Commission within twenty days after such filing.

MISCELLANEOUS

Sec. 63: Each county or township officer, Board or Commission shall appoint from the eligible civil service list, except as otherwise provided in this Charter, for either permanent or temporary service, all assistants, librarians, deputies, clerks, attaches, and other persons in the office or department of such officer, Board or Commission, as the number thereof is fixed, and from time to time changed by the Board of Supervisors; provided, that appointments to the unclassified service in their respective offices and departments shall be made by such officers, Boards and Commissions without reference to such eligible list.
Sec. 64.010: NAME. This Section of the Alameda County Charter shall be known and may be cited as the Alameda County Waste Reduction and Recycling Act of 1990 (hereinafter the “Act”). (Amendment ratified Dec. 20, 1990.)

Sec. 64.020: PURPOSE. The purpose of this Act is to:

A. Provide for an Alameda County Source Reduction and Recycling Plan (hereinafter the “Recycling Plan”) in conformance with new state law requiring all California cities and counties to plan, fund and implement a comprehensive source reduction and recycling program (Paragraph 64.040(B));

B. Meet, by January 1, 1995, the state-mandated goal at reducing by at least twenty-five percent the refuse landfilled in Alameda County, then meet by January 1, 2000, the further state-mandated goal of fifty percent, and set longer-term goals starting at seventy-five percent (Paragraph 64.040(A));

C. Ensure that the Recycling Plan provides for at least the following essential elements:

1. An Alameda County-wide Source Reduction Program (Subsection 64.080) to minimize the generation of refuse;

2. Residential Recycling Programs (Subsection 64.090) to provide each Alameda County residence with curbside pick-up of recyclable materials;

3. Commercial Recycling Programs (Subsection 64.100) to reduce the refuse disposal costs of businesses and government agencies;

4. An Alameda County-wide Recycled Product Market Development Program (Subsection 64.110) to create and strengthen stable markets for recycled materials; and

5. A Recycled Product Purchase Preference Program (Subsection 64.120) to further encourage recycled materials markets by maximizing the amount of recycled products purchased by County government agencies;

D. Fund the Recycling Plan by instituting a six dollar per ton surcharge on materials disposed of in Alameda County landfills (Paragraph 64.050(A));

E. Create an Alameda County Source Reduction and Recycling Board (hereinafter the “Recycling Board”) to coordinate the Recycling Plan (Subsection 64.130); and

F. Prohibit the incineration of refuse within Alameda County (Subsection 64.140). (Amendment ratified Dec. 20, 1990.)

Sec. 64.030: FINDINGS. The people of Alameda County find and declare that:

A. The increasing consumption of single-use and environmentally harmful products depletes natural resources, produces huge quantities of refuse X most of which is disposed of in ways that damage the environment X and, ultimately, will injure future generations;

B. The use of terms such as “garbage” and “solid waste” result from X and serve to reinforce X wasteful attitudes; the materials referred to by these terms retain their value as natural resources, and should instead be described and treated as “discarded materials” to be recycled rather than
incinerated or landfilled;

C. At least ninety percent of the discarded materials generated within Alameda County are landfilled as are vast quantities of discarded materials from neighboring counties; existing landfill capacity in the Bay Area will be exhausted in less than twenty-five years, while new landfills are increasingly difficult and expensive to site; landfill is neither a long-term, nor a sustainable, nor an environmentally safe option for disposal of discarded materials;

D. Refuse incinerators are a poor alternative to source reduction and recycling; such incinerators damage the environment by wasting natural resources that could instead be recycled, by accelerating the release of greenhouse gasses which worsen global warming and by generating toxic substances;

E. Each person discards materials and should therefore be involved in solving the problems caused by the disposal of such materials; this involvement must include changes in individual behavior resulting from each person's awareness of her or his role in creating or finding solutions to environmental problems; only through such changes can sustainable consumption and disposal patterns be established and the biosphere restored;

F. The County government shares a responsibility with Alameda County cities and sanitary districts to provide a comprehensive source reduction and recycling program which will foster these necessary changes in individual behavior as well as ensure that the goals set by state law are met; and

G. The best available method for funding the Recycling Plan is a surcharge on materials disposed of at landfills. (Amendment ratified Dec. 20, 1990.)

Sec. 64.040: RECYCLING POLICY GOALS AND RECYCLING PLAN.

A. Recycling Policy Goals:

1. Consistent with the California Integrated Waste Management Act of 1990 (hereinafter the "CIWMA"), it shall be County policy to reduce, recycle, and compost, by no later than January 1, 1995, at least twenty-five percent (25%), and by no later than January 1, 2000, at least fifty percent (50%), by weight, all discarded materials generated within Alameda County.

2. The Recycling Board shall establish, not later than January 1, 1999, a date to reduce, recycle, and compost at least seventy-five percent (75%), by weight, of all discarded materials generated within Alameda County, and, as necessary to the establishment of sustainable discarded materials management practices, shall subsequently establish a date (or dates) to reduce, recycle and compost further quantities of discarded materials.

B. The Recycling Board shall develop, within one (1) year of the effective date of this Act, a plan to establish the recycling programs necessary to meet the recycling policy goals set forth in Subparagraph 64.040(A)(1) (all citations contained in this Act are, unless otherwise noted, to this Act), said plan to be known as the Alameda County Source Reduction and Recycling Plan (Recycling Plan). The Recycling Board subsequently shall amend the Recycling Plan as necessary to meet said recycling policy goals, and as necessary to meet the further recycling policy goals established by the Recycling Board pursuant to Subparagraph 64.040(A)(2). The Recycling Plan shall incorporate all Alameda County recycling programs, whether funded by this Act or not. In developing and amending the Recycling Plan, the Recycling Board shall consult with the Alameda County Board of Supervisors (hereinafter the "Board of Supervisors"), the Alameda County Waste Management Authority (hereinafter the "Authority") and Alameda County municipal governing bodies, and furthermore shall seek to maximize public input as to the contents of the Recycling Plan by holding public hearings and establishing public advisory committees.
C. The Recycling Board shall contract, not more than four (4) years after the effective date of this Act, and then every five (5) years thereafter, for an audit to determine compliance with the Recycling Plan and the degree of progress toward the recycling policy goal then in effect. Said audits shall be conducted by an independent auditor (or auditors) with experience in source reduction and recycling. The reports of said audits shall be completed within one (1) year and issued to each municipality, the Board of Supervisors and the Authority. Said reports shall include at least the following:

1. A narrative and analytical evaluation of all recycling programs within Alameda County, whether funded through this Act or not, both Alameda County-wide and within each municipality;

2. A statistical measure of the progress toward the recycling policy goal then in effect;

3. An evaluation of the Recycling Board’s activities, including, but not limited to, an accounting of the monies spent by the Recycling Board; and

4. Recommendations to the Recycling Board, the Board of Supervisors, the Authority and the municipal governing bodies for the maintenance and expansion of recycling programs, and any necessary resulting amendments to the Recycling Plan. (Amendment ratified Dec. 20, 1990.)

Sec. 64.050: RECYCLING FUND.

A. Commencing not later than three (3) months after the effective date of this Act, each landfill or incinerator in Alameda County shall collect a surcharge of six dollars ($6.00) per ton on all refuse accepted for landfilling or incineration at said landfill or incinerator. All monies collected through said surcharge shall be paid by the operators of each landfill or incinerator into a fund, to be known as the Alameda County Recycling fund (hereinafter the “Recycling Fund”), established for the purpose of receiving and disbursing monies pursuant to this Act. The Board of Supervisors shall ensure the collection of said surcharge, either by modifying the use permits of said landfills and incinerators or by any other necessary means.

B. Should the collection of said surcharge be found to be in violation of an existing contract or agreement to import refuse generated outside of Alameda County for landfilling or incineration within Alameda County, the Board of Supervisors may vote to waive collection of said surcharge for the refuse described within said contract or agreement. However, any future contract or agreement for the importation of refuse for landfilling or incineration within Alameda County, executed or negotiated after the effective date of this Act, shall provide for the collection of said surcharge for the refuse described within said contract or agreement.

C. Any necessary costs of collection of said surcharge incurred by landfill or incinerator operators shall not be subtracted from said surcharge but, consistent with Subsection 64.070, shall be passed through to refuse generators by means of the refuse collection rates set by each municipality.

D. Said surcharge may be adjusted only as follows:

1. The Board of Supervisors may place a ballot measure on the Alameda County ballot for an alternative or additional funding mechanism for the Recycling Fund. Said funding mechanism may levy a surcharge or disposal fee on types of discarded materials. Said ballot measure may also include a provision to adjust said surcharge in direct correlation to the funding resultant from the proposed surcharge or disposal fee.

2. The Authority may pay monies within its jurisdiction to the Recycling Fund with the intent of mitigating said surcharge. Should the Authority vote to do so, the Board of Supervisors shall adjust said surcharge accordingly, provided that no such adjustment shall result in a net loss to the total
receipts to the Recycling Fund within a given year.

3. The Board of Supervisors may vote at any time to adjust said surcharge in direct accordance with changes in the Consumer Price index.

4. Commencing January 1, 1995, and once every five years thereafter, the Board of supervisors may vote, with the advice of the Authority, and/or a double majority of the cities, to pass an ordinance adjusting said surcharge by up to twenty percent (20%). Said ordinance may take effect immediately, but shall be subject to approval or repeal by a vote of the people at the next regularly scheduled Alameda County election.

5. The Board of Supervisors may vote, with the concurrence of a double majority of the cities, to adjust said surcharge, if either the federal government or the State of California institutes recycling programs that duplicate and fund the recycling programs established by this Act.

E. The Recycling Board shall administer the Recycling Fund in accordance with the provisions of this Act. Recycling Fund monies that are not immediately expended may be temporarily invested, under the direction of the Recycling Board and in accordance with accepted principles of financial management, in financial instruments that encourage, to the extent possible, source reduction and recycling while discouraging non-sustainable uses of natural resources. Any interest or other income resulting from such investments shall accrue to the Recycling Fund. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.060: SUPPORT FOR RECYCLING PROGRAMS.

A. During the first twenty-seven (27) months after the effective date of this Act, the Recycling Board shall support recycling programs and otherwise fulfill the provisions of this Act by disbursing monies from the Recycling Fund as follows:

1. Eighty percent (80%) of the total shall be apportioned on a per capita basis to municipalities for the planning and implementation of Residential Recycling Programs and/or Commercial Recycling Programs, for new or expanded recycling programs, and for the preparation of the city source reduction and recycling elements, pursuant to the CIWMA. Funds so disbursed shall be used exclusively for supporting municipal recycling programs.

2. Twenty percent (20%) of the total shall be applied to the following:
   a. The development and implementation of the Source Reduction Program, the Recycled Product Market Development Program and the Recycled Product Purchase Reference Program;
   b. The Recycling Board’s expenses for the administration of this Act; and
   c. The preparation of the Alameda County source reduction and recycling element, pursuant to the CIWMA.

B. Commencing twenty eight (28) months after the effective date of this Act, the Recycling Board shall support recycling programs and otherwise fulfill the provisions of this Act by disbursing monies from the Recycling Fund as follows:

1. Fifty percent (50%) shall be disbursed on a per capita basis to municipalities for the continuation and expansion of municipal recycling programs.

2. Ten percent (10%) shall be applied to a grant program for non-profit organizations engaged in maximizing recycling, composting, and reducing waste within Alameda County. The Recycling Board shall be an organization eligible to receive funds under this Subparagraph, for the purposes
of conducting planning, research, and studies directed at furthering the purposes of this Act.

3. Ten percent (10%) shall be applied to the Source Reduction Program.

4. Ten percent (10%) shall be applied to the Recycled Product Market Development Program.

5. Five percent (5%) shall be applied to the Recycled Product Purchase Preference Program.

6. Fifteen percent (15%) shall be disbursed on a discretionary basis by the Recycling Board to support any of the activities described within this Paragraph. A portion of said fifteen percent (15%) may be retained by the Recycling Board to cover the necessary costs of administering the Recycling Fund, provided, however, that said portion shall not exceed three percent (3%) of the total funds paid to the Recycling Fund in a given year.

C. For the purpose of apportionment of funds under the provisions of this Subsection, and for the purpose of sound planning for source reduction and recycling, the Recycling Board shall cause accurate, reliable, and up-to-date estimates to be maintained of the amounts and kinds of recycling and refuse generation occurring in each municipality.

For the purpose of ensuring comparability of data, any composition study or waste characterization study performed with Recycling Fund monies shall comply with standards to be established by the Recycling Board. Said standards shall include, but shall not be limited to, both methodology and categories of discarded materials. In establishing said standards, the Recycling Board should utilize the categories for discarded materials outlined in Paragraph 64.150(0).

D. Contracts using Recycling Fund monies shall be made for periods not more than five (5) years, except that, upon a finding of the Recycling Board that a longer period is necessary in order to capitalize a specific project, the Recycling Board may vote to allow a particular contract to be made for a period of not more than ten (10) years. No contract using Recycling Fund monies shall provide for an option to renew or any similar provision that would result in the extension of a contract, on a less than fully competitive basis, for a cumulative period of more than five (5) years or, in the case of a contract which the Recycling Board has authorized to be made for a longer period for purposes of capitalization, more than ten (10) years.

E. Nothing in this Act shall prevent any municipality, other jurisdiction, or other organization within Alameda County from raising or expending additional funds or taking other actions in support of recycling programs.

F. Commencing January 1, 1995, the Recycling Board may vote, with the concurrence of the Board of Supervisors and a double majority the cities, to adjust the distribution of funds under Paragraph 64.060(B) in order to further progress toward the recycling policy goal then in effect. (Amendment ratified by Dec. 20, 1990.)

Sec. 64.070: MUNICIPAL RATE STRUCTURES.

A. In order to be eligible to receive monies from the Recycling Fund, each municipality must, either by adjusting local refuse collection rates or by instituting a product disposal fee, provide for full reimbursement to its local refuse hauler(s) for the costs of the surcharge established by Paragraph 64.050(A).

B. Upon request of a municipality, the Recycling Board shall cooperate with said municipality, the Alameda County Joint Refuse Rate Review Committee and the refuse hauler(s) serving said municipality to design an incremental refuse collection rate structure which will:
1. Fully reimburse said hauler(s) for the increased costs resulting from the surcharge established by Paragraph 64.050(A);

2. Encourage source reduction and recycling among residents by charging successively higher amounts for each garbage can collected; and

3. Provide residents with the option to use smaller garbage cans at a decreased rate in order to reward source reduction and recycling.

C. Upon request of a municipality, the Recycling Board shall cooperate with said municipality, the Alameda County Joint Refuse Rate Review Committee, and the refuse hauler(s) serving said municipality to design a product disposal fee, to be levied on purchases of products, with the emphasis on those products that either are non-recyclable or are environmentally harmful, which will:

1. Allow said municipality to fully reimburse, in lieu of or in addition to an increase in refuse collection rates, said hauler(s) for the increased costs resulting from the surcharge established by Paragraph 64.050(A);

2. Encourage source reduction among residents; and

3. Discourage the purchase of environmentally harmful products. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.080: SOURCE REDUCTION PROGRAM. The Recycling Board shall disburse monies allocated in Subparagraphs 64.060(A)(2) and 64.060(B)(3), on a discretionary basis, for the development of an Alameda County-wide Source Reduction Program. Funded components of the Source Reduction Program shall include, but shall not be limited to, the following:

A. A county waste minimization program with a goal of reducing the weight of County purchases, and with a specific goal of reducing the weight of County purchases of paper products by ten percent (10%) by January 1, 1995, and by fifteen percent (15%) by January 1, 2000. Said program shall emphasize the conservation of paper products by means of a comprehensive employee education program. The Recycling Board may establish further goals for reduction in County purchases.

B. An annual non-monetary award program for businesses which demonstrate a significant reduction in the use of packaging materials or the use of materials in manufacturing processes, or waste reduction through the durability and/or recyclability of their products.

C. An industry and/or university program to research and develop source reduction opportunities and incentives.

D. An intensive public education campaign to promote alternative individual consumer habits and in-house source reduction programs for businesses and institutions.

E. Disposal cost reduction studies and waste audit services to demonstrate to businesses and institutions the efficacy of recycling programs. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.090: RESIDENTIAL RECYCLING PROGRAMS. Within two (2) years of the initiation of the Recycling Fund, each municipality receiving monies from the Recycling Fund shall provide a Residential Recycling Program to every resident to whom refuse collection service is offered on a regular schedule which is as frequent as said refuse collection. However, it shall not be mandatory to provide said program to residents more than once a week. (Amendment ratified on Dec. 20, 1990.)
Sec. 64.100: COMMERCIAL RECYCLING PROGRAMS. Within two (2) years of the initiation of the Recycling Fund, each municipality receiving monies from the Recycling Fund shall make an adequate Commercial Recycling Program available to every business, government, and public or private institution to which refuse collection is offered, on a regular schedule. Municipalities may determine that a Recyclable Materials Recovery Program is an appropriate means of satisfying a part of this requirement. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.110: RECYCLED PRODUCT MARKET DEVELOPMENT PROGRAM. The Recycling Board shall disburse monies allocated in Subparagraphs 64.060(A)(2) and 64.060(B)(4) of this Act, on a discretionary basis, for a program to develop and expand markets for recycled products. Funded components of the Recycled Product Market Development Program shall include, but shall not be limited to, the following:

A. A regional cooperative marketing strategy;

B. Grants for demonstration projects targeted at new uses of recycled materials and new techniques for recycling materials;

C. An Alameda County-wide information exchange which targets potential users and sources of recycled products; and

D. Municipal programs to administer permit assistance to recycling industries. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.120: RECYCLED PRODUCT PURCHASE PREFERENCE PROGRAM.

A. The County shall purchase recycled products where they are comparable in function and equal in cost to products manufactured from virgin materials.

B. The County shall apply, to the extent made possible by the availability of monies under Subparagraphs 64.060(A)(2), and 64.060(B)(5), a price preference of ten percent (10%) to its purchases of recycled products where said recycled products are comparable in function to products manufactured from virgin materials.

1. Price preferences shall be applied to a full range of recycled product categories, including, but not limited to, recycled paper products, compost and co-compost products, recycled glass, recycled oil, and recycled solvents and paints.

2. The Recycling Board may establish a price preference which is greater than ten percent (10%) for certain recycled product categories, if it is demonstrated that the manufacturing costs for said recycled product categories are higher than the manufacturing costs for similar products produced with virgin materials such that a ten percent (10%) preference is insufficient for said recycled products to be competitive.

3. Commencing January 1, 1995, the Recycling Board may reduce the price preference for certain recycled product categories, if it is demonstrated that the manufacturing costs for said recycled product categories are competitive with the manufacturing costs for similar product produced with virgin materials, and that any such reduction will not result in a substantial decrease in the percentage of recycled products purchased in the category affected by the reduction.

4. Any monies remaining after fulfilling the other requirements of this Paragraph in a given year shall be apportioned by the Recycling Board to municipalities which have established similar price preferences and recycled product specifications.
C. Consistent with Paragraphs 64.120(A) and (B), the County shall modify its purchasing forms and procedures to ensure that, beginning no later than one (1) year after the effective date of this Act, information as to the recycled content, including both postconsumer discards and secondary discards, of all supplies and materials purchased by the County is available and taken into account during the purchasing process. Said information shall also be obtained for the supplies and materials portions of all public works contract bids that are received by the County.

D. Any County agency which has responsibility for drafting or reviewing specifications for procurement items shall be required to revise said specifications, within one (1) year of the effective date of this Act, to eliminate exclusions of recovered materials and requirements that said items be manufactured from virgin materials.

E. To the extent that the practice of accepting bids for multiple products inhibits the purchase of recycled products, the County shall accept bids for individual products and/or bids for fewer products.

F. The Recycling Board may establish standards for a recycled product category which exceed the levels of postconsumer and secondary discard content established by this Act, provided, however, that said standards will not result in a substantial decrease in the percentage of recycled products purchased in said category.

G. Notwithstanding any other provision of this Charter, this Subsection shall apply to the supplies and materials portions of all public works contracts made by the County. The County may set minimum amounts of recycled products, both by quantity and by category, to be utilized in the execution of said contracts; and shall contract separately for the supplies and materials portions of said contracts where such separate contracting would result in more complete compliance with this Act while not significantly increasing the cost of a given contract, except as allowed by Paragraph 64.120(B).

H. It shall be a County policy goal to purchase recycled paper products such that, by January 1, 1995, at least fifty percent (50%) of the total dollar amount of paper products purchased or procured by the County shall be purchased or procured as recycled paper products. Not later than January 1, 1999, the Recycling Board shall recommend to the Board of Supervisors further policy goals for County purchases of all types of recycled products. (Amendment ratified on Dec. 20, 1990.)

Sec. 64.130: RECYCLING BOARD.

A. The Board of Supervisors and the Authority shall appoint an eleven (11) member board, to be known as the Alameda County Source Reduction and Recycling Board (Recycling Board), to administer this Act as well as to carry out any other tasks consistent with the purposes of this Act that may subsequently be given to the Recycling Board by the voters or the Board of Supervisors.

B. To avoid unnecessary administrative duplication, the Board of Supervisors shall seek the consent of a double majority of the cities for the Recycling Board to serve as the local task force mandated by California Public Resources Code Section 40950 (as enacted by the CIWMA). A failure to obtain such consent shall not be construed to inhibit the establishment of the Recycling Board. In the event that the Recycling Board is not named as said local task force, the Recycling Board shall review any recommendations of a local task force regarding source reduction and recycling.

C. To further avoid unnecessary administrative duplication, the Authority may, within ninety (90) days of the effective date of this Act, accept the Recycling Board as a subsidiary body of the Authority. Should the Authority not so accept the Recycling Board, or if the Authority at any time ceases to exist, the Recycling Board shall be established as a separate entity within the structure
of County government.

However, notwithstanding an initial failure by the Authority to so accept the Recycling Board, the Board of Supervisors may at any time, upon request of the Authority, make the Recycling Board a subsidiary body of the Authority.

D. Members of the Recycling Board shall be appointed in accordance with the following:

1. The Authority may appoint five (5) of its members to sit on the Recycling Board. Should any or all of said five (5) Recycling Board members not be appointed by the Authority within four (4) months of the effective date of this Act, the Board of Supervisors shall cooperate with a double majority of the cities to appoint said member or members, except that a member appointed under such circumstances need not be a member of the Authority, but must be a member of the governing body of a municipality.

2. The Board of Supervisors shall appoint six (6) Alameda County residents to the Recycling Board as follows:

   a. A representative of an organization engaged primarily in operating recycling programs within Alameda County;

   b. A source reduction specialist with substantial experience as such;

   c. A representative of the recyclable materials processing industry;

   d. A representative of the solid waste industry;

   e. A representative of an environmental organization with a significant membership active in recycling issues within Alameda County; and

   f. An environmental educator employed as such on a full-time basis.

3. The membership of the Recycling Board shall reflect expertise in the field of source reduction and recycling.

4. No for-profit corporation, including its divisions, affiliates, parents and subsidiaries, wholly or partially owned, may have more than one (1) employee or representative on the Recycling Board at any one (1) time.

5. All members of the Recycling Board shall be appointed within four (4) months of the effective date of this Act.

Members of the Recycling Board shall serve a term of two (2) years, and may be reappointed for one (1) successive term, except that, for the purpose of ensuring continuity in the administration of this Act, the initial terms of two (2) of the members appointed by the Authority and three (3) of the members appointed by the Board of Supervisors shall be one (1) year. Should a Recycling Board member appointed by the Authority cease to be a member of the Authority, or if a Recycling Board member who is a member of the governing body of a municipality should cease to be a member of said governing body, or if a Recycling Board member ceases to be a resident of Alameda County, her or his seat on the Recycling Board shall be immediately deemed to be vacant.

6. Should a Recycling Board member for any reason vacate her or his seat, the governing body (or bodies) that appointed said member shall appoint a new member within two (2) months of the date the seat is vacated, except that if the appointing body is the Authority and the Authority has either ceased to exist or has failed to appoint a new member within said two (2) month period, the Board of Supervisors shall cooperate with a double majority of the cities to make the appointment.
All such appointments to the Recycling Board shall otherwise be made in compliance with the requirements that applied to the original appointments.

7. In the event of temporary incapacity or other inability to attend Recycling Board meetings, a Recycling Board member may request that the governing body (or bodies) that appointed said member appoint an interim Recycling Board member to serve, for a period of no more than three (3) months, in the place of said member.

E. The Recycling Board shall schedule and conduct regular meetings at least once each calendar month, and shall schedule special meetings and committee meetings as necessary to the business of the Recycling Board. Regular meetings shall be scheduled with at least one (1) month advance notice to the public. Special meetings and committee meetings shall be scheduled with at least one (1) week advance notice to the public.

F. Recycling Board members shall attend at least three-fourths (3/4) of the regular meetings within a given calendar year. At such time as a member has been absent from more than one-fourth (1/4) of the regular meetings in a calendar year, or from two (2) consecutive such meetings, her or his seat on the Recycling Board shall be considered vacant.

G. Consistent with the principle of maximizing public participation in all Recycling Board activities, the Recycling Board may establish advisory committees and shall provide for full participation of the public in the functions of such bodies.

H. The Recycling Board shall hold its meetings, hearings, public hearings, and other proceedings in such places and at such times as are likely to maximize access to said proceedings by as broad a range of Alameda County residents as is reasonably possible. To this end, the Recycling Board shall hold at least one (1) regularly scheduled evening meeting per year in each supervisorial district in a location accessible by public transit and shall ensure full access to all Recycling Board meetings by the physically disabled.

I. All hearings, meetings, proceedings or other discussions of the Recycling Board, or of any committee or other subsidiary body of the Recycling Board, shall be open to the public, as shall the minutes, records of proceedings or documents received or discussed by the Recycling Board or its subsidiary bodies. Access to meetings or documents of the Recycling Board may be restricted only in circumstances authorized by those provisions of the Ralph M. Brown Act (California Government Code Sections 54950 et seq.), or of the California Public Records Act (California Government Code Sections 6250 et seq.), or of any successor legislation to either said act, relating to actual or imminent litigation or to evaluation of an employee of the Recycling Board. No such restriction shall be lawful unless it is first justified in the relevant written notice of meeting by specific identification of the actual or anticipated litigant or by specific identification of the position of the Recycling Board employee to be evaluated. All Recycling Board documents shall be made available for copying by members of the public for the direct cost of copies only, not to exceed a limit of ten (10) cents per page. Said limit may be adjusted by the Recycling Board in direct proportion to the Consumer Price Index.

J. The Recycling Board shall formulate rules for its own procedures and other rules as necessary to facilitate the implementation of the provisions of this Act.

K. Each Recycling Board member shall have one (1) vote. A quorum for decisions of the Recycling Board shall be a majority of its members, except that a smaller number may vote to adjourn meetings.

L. The members of the Recycling Board shall elect from their number a chair to be the presiding officer of said Recycling Board. The term of office of said chair shall be no more than one (1) year and shall expire at the end of the calendar year in which the chair sits.
M. Each Recycling Board member shall receive compensation not to exceed three thousand dollars ($3,000.00) for one (1) calendar year, not to exceed one hundred dollars ($100.00) for each meeting of the full Recycling Board, or each special meeting or committee meeting of at least two (2) hours duration, which said member has attended.

N. The Recycling Board shall hire such staff as are required to implement the provisions of this Act. Staff salaries and benefits shall be paid out of the monies allocated for the administration of this Act, pursuant to Subparagraphs 64.060(B)(2) and 64.060(C)(6).

O. The Recycling Board may apply for, receive and expend supplementary funding grants from private and public sources.

P. Conflicts of interest:

1. No Recycling Board member shall participate in any Recycling Board action or attempt to influence any decision or recommendation by any employee of or consultant to the Recycling Board which involves herself or himself, or which involves any entity with which the member is connected as a director, officer, elected official, consultant, or full-time or part-time employee, or in which the member has a direct personal financial interest within the meaning of California Government Code Section 87100, or any successor statute thereto.

2. No Recycling Board member shall participate in any proceeding before any agency of either the County or a municipality as a consultant or in any other capacity on behalf of any solid waste handler, recycling organization, or other person or organization which actively participates in matters before the Recycling Board. Nothing in this Subsection shall be construed to prohibit a representative from a municipality from fully participating in the deliberations of her or his own governing board.

3. For a period of one (1) year after leaving her or his seat on the Recycling Board, a former Recycling Board member shall not act as an agent or attorney for, or otherwise represent, any other person before the Recycling Board by making any formal or informal appearance or by making any oral or written communication to the Recycling Board.

Q. Ex Parte Communications:

1. No Recycling Board member, or person who serves as a consultant or in any other capacity on behalf of a solid waste handler, recycling organization, or other public or private entity which actively participates in matters before the Recycling Board, or other person who intends to influence the decision of a Recycling Board member on a matter before the Recycling Board, excepting a staff member of the Recycling Board acting in her or his official capacity, shall conduct an ex parte communication unless the following steps are taken:

   a. The Recycling Board member shall notify the person who engaged in the ex parte communication that a full disclosure of said communication must be entered in the Recycling Record’s record; and

   b. Either the Recycling Board member or the person who engaged in said communication shall, prior to the next regularly scheduled meeting of the Recycling Board, submit a full written disclosure of said communication which shall be entered in the Recycling Board’s official record.
