Alameda LAFCo Fee Policies

1. LAFCo shall establish a fee schedule pursuant to Government Code §56383. LAFCo generally will review its fee schedule at least every two years.
2. Applications submitted to LAFCo shall be accompanied by an initial fee, payable to Alameda LAFCo, as detailed in this schedule. The initial fee is non-refundable and covers routine application procedures including pre-application meeting, file setup, preliminary project review, issuance of a status letter, and creation of a staff report. Additional costs in excess of initial fee (including LAFCo staff time, consultant fees and miscellaneous costs such as noticing, copying, etc) shall be charged at actual cost. Applicants are responsible for any fees or charges incurred by LAFCo or required by other agencies in the course of processing an application. Payment of all fees pursuant to the most recent fee schedule is required before an application is deemed complete and issued a certificate of filing. Subsequent billings will be due prior to LAFCo filing with the State Board of Equalization and issuing a Certificate of Completion. No proceeding shall be completed until all fees due have been paid in full.
3. Additional LAFCo staff time and administrative costs shall not be charged for city annexation applications that are comprised solely of one, entire unincorporated island. However, should such applications be continued at the request of the applicant more than once from the initial date of hearing, applicants will be charged the administrative costs associated with rescheduling the public hearing (e.g., noticing, etc.).
4. If the processing of an application requires that LAFCo contract with another agency or with a private firm or individual for services that are beyond the normal scope of LAFCo staff work (e.g., drafting an Environmental Impact Report or Comprehensive Fiscal Analysis), the applicant shall be responsible for all costs associated with that contract. The applicant will provide LAFCo with a deposit sufficient to cover the cost of the contract.
5. The Executive Officer may stop work on any proposal until the applicant submits a requested deposit.
6. Written appeal of fees and/or deposits, specifying the reason for the appeal, may be submitted to LAFCo prior to the submission of an application or prior to the submission of additional funds. The appeal will be considered at the next regular meeting of the Commission.
7. The Commission may waive fees as provided pursuant to Government Code Section 56383(d).
8. Upon completion of a project, the Executive Officer shall issue to the applicant a statement detailing all expenditures in excess of the deposit. Excess funds shall be refunded to the applicant as appropriate.
9. Research and record retrieval assistance after the first 2 hours of staff time will be charged at actual cost and billed to individual/agency requesting assistance or applied towards an applicant's initial fee. After two hours of staff time, the requestor shall provide billing information including a contact name, mailing address, telephone number and email address.
10. A fully executed indemnification agreement, as approved by LAFCo legal counsel, shall be required for any application approved by the Commission and before a certificate of completion is issued.
11. Where the Commission approves an out-of-area service agreement and an application for the jurisdictional change is filed within one year of the out-of-area service agreement being approved by the Commission, the LAFCo fee for that jurisdictional change shall be reduced by 50%. After one year from LAFCo approval of the out-of-agency service agreement, the applicant will be required to pay the full application processing fee.
12. Pursuant to Government Code §56384, LAFCo is authorized to appoint an alternate executive officer or legal counsel in the event that the Commission determines that a conflict of interest exists. The applicant will be responsible for all alternate executive officer or legal counsel costs unless the conflict exists due to circumstances outside the control of the applicant. In that case, the applicant will be responsible for paying the regular LAFCo Executive Officer or Legal Counsel hourly rate for time spent processing the application and the balance of alternate appointment costs will be borne by the Commission.
