

The Air District released the draft CAP and the Draft Environmental Impact Report (DEIR) on the CAP in March 2010. The District also issued a draft Socio-Economic Analysis on the CAP in early April. These documents are available at: <http://www.baaqmd.gov/Divisions/Planning-and-Research/Plans/Clean-Air-Plans.aspx>

The deadline to submit written comments on these documents was April 26, 2010.

Since that time, District staff has been working to summarize and respond to written comments submitted, and to prepare the proposed final versions of the CAP documents.

The next steps in the CAP adoption process are as follows:

1) District staff will provide an overview of the 2010 CAP to the Board of Directors as an informational item at the August 4 Board meeting. The agenda packet for the Board meeting should be posted on the District website by July 30. The Board packet will be posted at: <http://www.baaqmd.gov/The-Air-District/Board-of-Directors/Agendas-and-Minutes.aspx>

2) Proposed final CAP documents are expected to be issued no later than August 31:

- proposed final Clean Air Plan
- final EIR
- final Socio-Economic Report

3) The proposed final CAP and final EIR on the CAP will be considered for adoption by the Board of Directors at a public hearing tentatively scheduled for September 15, 2010.

If you have any questions regarding the CAP documents or the CAP schedule, please contact David Burch at dburch@baaqmd.gov or 415-749-4641.
