The event celebrates the creativity of Oakland youth through a showcase of youth created and presented visual art, music, dance, poetry and more. This free festival drew over 500 community members to celebrate youth arts in downtown Oakland.

The Members of the Alameda County Arts Commission selected these individuals from a group of nominees submitted by the public. Award recipients were selected based on their achievements within the arts field and their contributions to the community. This annual program recognizes individuals or teams from each of the five Districts of the Board of Supervisors. This year, there was a tie-vote for the nominees in District 1 and two teams, each comprised of two people, were selected for District 1 and 3. Therefore, in total there are eight award recipients this year.
