PALOMARES ROAD TO REOPEN

UNINCORPORATED ALAMEDA COUNTY – Alameda County Public Works Agency crews have finished the emergency repairs addressing sinkholes and culvert failures, storm debris cleanup of the roadway, and slope stabilization at mile marker 8.73.

Palomares Road is now OPEN to all traffic between Palo Verde Road, Castro Valley, and Niles Canyon Road (Highway 84), Fremont. One lane traffic controls have been installed at mile marker 8.73. All roadway users are advised to exercise caution in this area.

Current status of other County-maintained roads is as follows:

- **Redwood Road, Castro Valley**, is reduced to one lane of traffic at mile marker 7.38 due to a shoulder washout. Safety devices and traffic control measures are in place.
- **Koopman Road, Sunol**, is reduced to one lane of traffic at mile marker 0.23 following a mudslide. Safety devices and traffic control measures are in place.
- **Foothill Road, Sunol**, is reduced to one lane of traffic at mile marker 6.87 following storm-related damage to the roadway. Safety devices and traffic control measures are in place.
- **Collier Canyon Road, Livermore**, is reduced to one lane of traffic at mile marker 4.98 due to a shoulder slip-out. Safety devices and traffic control measures are in place.

Please avoid these areas, if possible. If you must travel on any of these roadways, please proceed with caution.

All other roadways in unincorporated Alameda County remain open at this time.

Please visit the Public Works Agency website at www.acpwa.org for updates.
