Alameda County Conducts Online Auction

County Treasurer Tax Collector Donald R. White announces the County's online auction to sell tax delinquent parcels of property. The auction will take place at www.bid4assets.com March 16 through March 19, 2012.

The properties are being sold using Bid4Assets, Inc., a leading asset disposition and advisory services company. Interested persons may preview the properties on the website at www.bid4assets.com, starting January 30, 2012 through March 15th. Bidding will begin on March 16th and end on March 19th. If a potential bidder does not have Internet access, an Offline Bid Form is available from the Tax Collector's Office, which is located at 1221 Oak Street, 1st floor, in Oakland.

"By utilizing the Internet we have expanded our potential buyer base and have sold a greater number of properties. We have also reduced our administrative costs associated with the sales," says Treasurer-Tax Collector Donald R. White.

The properties for sale are located primarily in Oakland. To be eligible to participate in the auction, a bidder must pre-qualify with a \$5,000.00 deposit. More information regarding the online auction can be obtained from the Treasurer Tax Collector's website at www.acgov.org/treasurer/index.shtml.
