Weekend Traffic Delays on East 14th Street

SAN LEANDRO, CA –The Alameda County Public Works Agency will be reconstructing the southbound lanes of East 14th Street at 163rd Avenue beginning Friday, March 15 at 7:00 p.m. Reconstruction of the southbound lanes is expected to be complete by 1:00 a.m. Monday morning, March 18.

During this roadwork, traffic will be restricted to one lane in each direction and will be subject to delays. Access to adjacent businesses will remain open. Motorists are advised to use alternate routes for other destinations. If travelling through the construction area is necessary, please exercise caution and adhere to all traffic regulations.

This schedule may be altered if weather conditions are not conducive to the pavement reconstruction. Any changes to the construction schedule can be found on the Public Works Agency website at www.acgov.org/pwa.
