Submitted are the following agenda item(s) to be considered by the Community Corrections Partnership Executive Committee (CCP EC) at the meeting of _____:

[Housing]

[Background (brief)]

Because of lack of permanent housing and emergency housing due to COVID is a barrier to successful re-entry, the CAB posits that an increase in funding is appropriate. Therefore, the CAB respectfully requests that \$1.5 million dollars be added to the housing budget in order to ameliorate the crisis of the pandemic. In other words, the CAB requests that \$1million dollars go directly to women and women with children/dependents.

According to a presentation by Housing, 84% of all housing resources go toward men. At the September CAB meeting, CAB members were informed that, “\$6.8 million remains (this year) to be allocated. \$2 million is also held in trust. If CAB wanted to put something forward, this is the amount of monies (\$6.8 and \$2 million) available. Therefore, CAB recommends that the \$1.5 million come from this funding stream, or that 1 million goes to women and women with children and the rest is allotted to men who are sex offenders and men with disabilities. According to the Allocations FPW 10-6-20, \$550,000 is allocated for treating sex offenders, but not one dollar has been allocated for housing, Therefore, the CAB recommends, \$500,000 to be dispersed for housing.

The CAB also recommends that providers who serve these populations have their budgets augmented instead of the traditional process of generating an RFP or a plethora of bids.

[Fiscal Impact]

The CAB respectfully request that Fiscal and Procurement honor this request and forward it to the CCPEC. The total fiscal impact will be \$1.5 million which will come out of the funds mentioned above.
