- If this is an evidence-based program, what does the research say about it?
- If there is existing research, was the research done on a population similar to the population the program anticipates serving?
- Is Probation funding any similar activities?
- If Probation is funding similar activities, what is unique about this program/activity, why is it necessary?
- Lived experience can often provide a layer of knowledge often not captured by traditional research methods. Please provide any anecdotal knowledge based upon lived experiences that contributes to or strengthens your proposed program/activity.

Fiscal Impact

- What is the total proposed budget for this program/activity?
