Submitted are the following agenda item(s) to be considered by the Community Corrections Partnership Executive Committee (CCP EC) at the meeting on March 15, 2021.

Title/Subject Description: Requesting CCPEC take recommendation to the BOS about CAB becoming a voting member of the CCPEC

Background (brief): CAB Operating Guideline Article 4: under Officers Section 2 states that the Chair of the CAB shall serve on the CCPEC as the ex officio member, and attend all CCPEC meetings. The ex officio member is a non-voting member of the CCPEC.

The CAB is the voice of the community and is tasked with the duties of making recommendations and giving advice to the Alameda County Community Corrections Partnership and Executive Committee by providing input on community needs. As it stands when the Chair/designated member of the CAB sits as an ex officio member of the CCPEC and makes a recommendation during the meeting about what the community/systems impacted people need, the request at times cannot get a motion nor a second to bring the recommendation to a vote.

System impacted individuals at times do not have a voice nor a final say in what they think is helpful towards being self-sufficient. Voting is power. The people should have the power to make decisions about their own future.

Fiscal Impact, if any: \$0

Deliverables:

1. **System impacted people will have true input in their own futures**
2. **System impacted people will actually have a seat at the table when it comes to the community's needs**
3. **System impacted people can ensure that their voices are being heard**
4. **System impacted people will finally be a partner with the CCPEC instead of an opponent and or dependent.**

Agenda item is: Discussion Action

Recommendation/Action to be taken: Forward to the Board of Supervisors
