This agenda item is being submitted for consideration by the Community Corrections Partnership Executive Committee (CCPEC) at their meeting on March 18, 2023.

Title/Subject/Description: Request for additional funding for the Coordinated Reentry Services Program RFP, formerly Prison Pre-Release Planning and Case Management.

Background Information: In Fiscal Year 2017-18, the CCPEC approved a \$1,000,000 allocation for Prison Pre-Release Planning and Case Management. In October 2023, Probation issued an RFP for Coordinated Reentry Services Program (CRSP) with the Prison Pre-Release Planning and Case Management allocation. The CRSP will connect with Client's pre-release, or as early as possible, to assist Clients with assessing their immediate and long-term needs and goals and help them organize a holistic plan to achieve stability as they transition off Supervision, if not before. Probation cancelled this RFP and would like to request an additional \$1,000,000 before re-releasing an RFP with an initial two-year contract term.

Fiscal Impact*, if any: \$1,000,000

Recommended action to be taken: Approve an additional \$1,000,000 for Coordinated Reentry Services Program (formerly Prison Pre-Release Planning and Case Management) RFP with an initial two-year term.

**When requesting funding, please answer the questions in either Section 1 or 2 below. If requesting funding for a new program idea, answer the questions in Section 1. If requesting funding for a program with an existing AB 109-funded contract, answer the questions in section 2.*

Section 1: Requesting Funding for a New Idea –

Logic Model attached for Pre-Release Planning and Case Management

Addressed in the Logic Model

A logic model from the Programs and Services Workgroup may be attached in lieu of answering the following questions:

- What part of the AB 109 population do you propose to serve? (For example: unhoused individuals, clients disengaged from Probation services etc.)
- Which client needs are being addressed? (For example: housing, employment, substance abuse etc.)
- What are the objectives and benchmarks for success of the proposed program/activity?
- What are the resources and activities required by an organization to make the program successful? (For example: staffing, development of workshops etc.)
- How will Probation Officers inform clients about the program/activity?
- If referrals don't come from Probation, how will clients be informed of the program/activity?

Background Research

- Is the initiative evidence-based or a promising new idea?
- If this is an evidence-based program, what does the research say about it?
- If there is existing research, was the research done on a population similar to the population the program anticipates serving?
- Is Probation funding any similar activities?
- If Probation is funding similar activities, what is unique about this program/activity, why is it necessary?
- Lived experience can often provide a layer of knowledge often not captured by traditional research methods. Please provide any anecdotal knowledge based upon lived experiences that contributes to or strengthens your proposed program/activity.

Fiscal Impact

- What is the total proposed budget for this program/activity?

Section 2: Request to Renew or Extend an Existing Contract

Information About the Program

- What part of the AB 109 population was served under the previous contract? (For example: unhoused individuals, clients disengaged from Probation Services, etc.)
- What client needs were addressed? (For example: housing, employment, substance abuse etc.)
- How many people did your organization serve under the contract?
- How many people was your organization expected to serve under the contract?
- Please provide a summary of the program.
- Please provide a list of the objectives achieved by the program/activity.
- Did your organization invest any resources to make the program/activity successful? (For example: staffing, development of workshops etc.)
- Did you do any outreach to the target population, outside of referrals by Probation? If so, what were the results of your outreach?
- Describe how successfully your organization achieved your contract milestones and the other contract deliverables?

Background Research

- Is the program/activity evidence based or a promising new idea?
- If the program/activity is an evidence-based program, what does the research say about it?
- If there is existing research, was the research done on a population similar to the population served?
- How do milestones/contract deliverables compare to the outcomes of similar work in other jurisdictions?
- Is Probation funding any similar activities?
- If Probation is funding similar activities, what is unique about this program/activity, why is it necessary?
- Lived experience can often provide a layer of knowledge often not captured by traditional research methods. Please provide any anecdotal knowledge based upon lived experiences that contributes to or strengthens your proposed program/activity.

Program Data

- How many people were referred to the program/activity by Probation?
- Why should the contract be extended/renewed rather than going out to bid?
- Please provide program milestones and other contract deliverable data.
- Has this contract been extended before? If so, how many times and why?

Fiscal Impact

- What is the total proposed budget for the requested program/activity?
- What was the total budget for the program/activity under the previous contract?
 - If the proposed budget is higher than that of the previous contract, please justify the increase.
 - If the proposed budget is lower than that of the previous contract, please explain.
