

Hi, my name is De'Aonde to whom this letter may concern, please be notified that because of this program it has help me in many ways to even utilize my work skills from being someone who was less productive with my time. Because of Dig deep farms I've learned how to plant & grow produce, I can now tell the difference between good & bad produce. I've have came to a better adjustment in my life ~~where~~ were this is where I need to be thank you
