

Incentive and Barrier Removal Tracking

SERVICE	CONTRACTOR	CONCRETE SERVICES - inclusive funds used to support successful re-entry	CLIENT INCENTIVES: Items such as gift cards that encourage participation in a program	STIPENDS - used for housing and items that support program participation. Sometimes these are given at intervals throughout a program to support continued participation and completion. These are usually monetary.	BARRIER REMOVAL - items such as payment for ID or birth certificate. These could be things like work tools to start a job, payment for school books, deposit on an apartment, etc. Anything that is a barrier to a client's success.	Basic Need dollars - items that help to meet the basic needs of an individual. Food, hygiene supplies, clothings. These are not contingent upon anything except basic need.
