Submitted are the following agenda item(s) to be considered by the Community Corrections Partnership Executive Committee (CCP EC) at the meeting on 06/02/2021

**Title/Subject Description:** ACPD is requesting an Amendment to Leaders in Community Alternatives' (LCA) Early Intervention Court (EIC) contract. Current contract term is 7/17/2017 through 6/30/2021. This amendment will extend the contract term date by one year to June 30, 2022 and add \$519,655 to the contract, increasing the contract value to \$2,219,655 so LCA can continue providing services under this contract.

**Background (brief):** EIC is a non-statutory, "pre" and "post" plea program that redirects participants from the traditional course of the criminal justice system. The aim of EIC is to reduce the rate of recidivism by addressing some of the potential causes of the participant's behavior. Some examples of these underlying factors may be drug dependency, mental health, lack of education, unstable housing, unemployment and lack of financial opportunities. By providing the participants with the tools and associated services they require to lead a productive life, helping the participants, their families, and the wider community thrive. On June 27, 2017 the Board approved a contract with LCA to provide early intervention court services to ACPD.

**Fiscal Impact, if any:** Additional funding approval needed from CCPEC in the amount of \$519,655.

**Agenda item is:**  Discussion  Action

**Recommendation/Action to be Taken:** Requesting CCPEC to fund LCA's one year contract extension in the amount of \$519,655.
