SUBJECT: **JUVENILE JUSTICE COORDINATING COUNCIL MEETING**

Thank you for your service as members of the Juvenile Justice Coordinating Council (JJCC) as your participation is critical to the success of youth throughout Alameda County. Currently, we have two (2) vacant positions on the JJCC that require representation (at-large community member and a representative from a community-based drug and alcohol program). I am pleased to announce that on January 5, 2021, the applications for individuals interested in occupying these vacancies have been advertised on the Alameda County Probation website. We have also distributed this information to members of the Juvenile Justice Delinquency Prevention Commission (JJDCP), as well as the co-chairs of the Delinquency Prevention Network (DPN) in an effort ensure these opportunities are shared throughout the community.

Statute SB 823 requires that a JJCC subcommittee be established with county and community membership, to assist with the development of the plan for the Division of Juvenile Justice (DJJ) realigned youth. Applications are also being accepted for the vacant community positions for this subcommittee. The recruitment information is being provided for your reference, and the electronic version can be accessed utilizing the following link: [https://probation.acgov.org/juvenile-services/juvenile\\_justice\\_coordinating\\_council.page](https://probation.acgov.org/juvenile-services/juvenile_justice_coordinating_council.page).

Please join me for the convening of our next Juvenile Justice Coordinating Council (JJCC) Meeting, during which time we plan to review the application submissions and make recommendations for appointments

to the various seats on both the JJCC and the JJCC subcommittee. I will also be providing critical updates regarding our SB 823 progress and necessary next steps.

The meeting of the Juvenile Justice Coordinating Council (JJCC) is scheduled for:

Date: Thursday, January 21, 2021

Time: 2:30 p.m. – 4:30 p.m.

Location: [Microsoft Teams](#)

The meeting agenda has been included. I value your input and look forward to your participation. Please let me know if you have any questions.
