Vocational – Virtual Electrician Program	1
Programming	
Substance Abuse – Family Spring	22
Provides intensive substance abuse services to youth battling addiction. This mindfulness-based substance abuse treatment (MBSAT) program utilizes a curriculum that is specific for incarcerated youth. The curriculum is trauma-informed, culturally humble, and considers the multifaceted experiences of incarcerated youth.	
 Life Skills/Social-Emotion Development – Growth Restores Our Worth (G.R.O.W.) GROW is a journaling and book writing program where youth have an opportunity to write and publish their own books. The program is facilitated by a formerly incarcerated credible messenger. GROW with George Smith who is formerly incarcerated, and a credible messenger. Journaling and youth are writing their own autobiographies. Saturday afternoons. 	10

•	Culturally Responsive Cognitive Behavior Therapy – Rites of Passage (R.O.P.)	20
	"Rites of Passage" (ROP) program utilizes culturally responsive Cognitive Behavior Therapy to build prosocial attitudes, values, and beliefs. The facilitation team has received specialized training in positive youth development and trauma-informed care. The team includes individuals that are certified as Violence Prevention Specialist, trained in the National Compadres Network's evidence-based Rites of Passage curriculum, and have been trained and certified in the evidence-based Inside/Out Dad fatherhood curriculum for incarcerated youth.	
•	Anger Management/Gang Intervention – True Academy This program utilizes credible messengers who have been formerly incarcerated to facilitate the development of emotional management and impulse control skills with youth with a focus towards youth are gang and/or group involved.	8
