AUTOMOTIVE REPAIR

Learn auto detailing, ASE Brakes test prep, service desk operations, inventory and parts, automotive sales and service.

Receive community college credit, industry credentials, and automotive career placement support.

CONSTRUCTION

Learn carpentry skills, such as framing, plumbing, electrical systems, painting, flooring and cabinetry. Construct tiny homes for the homeless and build, from ground up, affordable homes for low-income Oakland families.

Receive construction industry-recognized credentials, such as NCCER Craft Skills and MC3, and get construction union and career placement support.

Construction training conducted in partnership with **Cypress Mandela Training Center**, located in East Oakland.

CULINARY ARTS

Learn knife skills, kitchen safety, baking, frying, sauteing, food storage and hygiene. Cook and prepare a variety of meals suitable for all occasions and be prepared to enter the growing local food industry.

Receive food industry certifications, such as ServSafe Food Handler & Manager, and culinary career placement support.

CUSTOMER SERVICE

Learn how to handle cash and credit transactions, balance finances, maintain a positive customer experience and order supplies. Get first-hand service experience at YEP's Cafe in the Juvenile Justice Center.

Receive industry certifications, such as Retail Industry Fundamentals, and customer service and retail career placement support.

WAREHOUSE & TRANSPORTATION OPERATIONS

Learn forklift driving, pallet jack operation, warehouse inventory management, picking, packing and shipping procedures, and prepare for Class A and B Licenses to drive commercial shipping trucks.

Receive industry certifications, such as Forklift Operator License and OSHA 10 Safety, and get union apprenticeship and career placement support.

Warehouse and Transportation training conducted in partnership with **West Oakland Job Resource Center** and **N. California Teamsters Apprentice Training**.

JOB TRAINING + EDUCATION SERVICES + CASE MANAGEMENT

In addition to high quality career training, all YEP trainees receive initial Job Readiness Training + Weekly Employment Development training, personalized Education Services and Plans to earn a **High School Diploma**, and support with **transportation, housing, mental health, legal** and **more**.
