ROAD CLOSURE PLANNED FOR VASCO ROAD

Livermore, CA –Vasco Road will be closed to through traffic between Republic Landfill Driveway north and entrance to Los Vaqueros Reservoir from **7 pm Thursday October 29th until 6 am Monday November 2nd**.

This road closure is required to safely complete the Vasco Road Safety Project that included the construction of a new and realigned roadway segment. The closure will allow for safely connecting the new roadway with the existing roadway at the northern and southern ends. Since the construction activity includes the removal of a large rock outcropping, the closure will further insure the safety of the traveling public.

Project updates will be provided on the Alameda County Public Works Agency webpage at www.acgov.org/pwa/ and on the Agency's 24 Hour Project Information Hotline 510.670.5712.
