VASCO ROAD CLOSURE

Vasco Road will be closed from the evening of October 29 through the morning of November 2, 2009. This road closure is required to safely complete the Vasco Road Safety Project that included the construction of a new and realigned roadway segment. The closure will allow for safely connecting the new roadway with the existing roadway at the northern and southern ends. Since the construction activity includes the removal of a large rock outcropping, the closure will further insure the safety of the traveling public.

Pertinent information is as follows:

Closure Dates and Times:

From 7 pm Thursday October 29th until 6 am Monday November 2nd

Closure Location:

North of the Republic Landfill Drive to south of the entrance to the Los Vaqueros Reservoir

Suggested Alternative Routes:
