Alameda County Arts Commission

The Alameda County Arts Commission is a division of the County of the Alameda. The Arts Commission was established by the Alameda County Board of Supervisors to nurture a thriving environment for the arts; to promote economic opportunities for Alameda County's artists and arts organizations; to encourage public participation in the arts; and to actively advocate for the arts. The Arts Commission supports all art forms including visual, performing, literary, traditional, and media arts, etc. All of the Arts Commission's programs are based on the belief that the arts and creativity are an essential part of every successful and thriving community. For information regarding ARTSFUND and the application process, contact Rachel Osajima, Arts Commission Director, at rachel.osajima@acgov.org or (510) 271-5162.

Goals of the ARTSFUND Grant Program

The Office of the Alameda County Arts Commission administers the ARTSFUND Grant Program to support arts activities in Alameda County provided by Alameda County nonprofit organizations. With a focus on Alameda County organizations, the goals of the ARTSFUND Grant Program are to:

- Promote the development of Alameda County as a center for all art forms and creative expression;
 - Increase the offerings of high quality arts programs;
 - Advance arts organizations of all sizes with an emphasis on small and mid-sized organizations;
 - Promote arts organizations with unique and innovative programs;
 - Encourage arts organizations in communities that have relatively few established arts programs;
 - Encourage participation in arts activities by Alameda County's diverse community;
 - Promote Alameda County organizations that provide arts programming as a primary focus of the organization and organizations that provide arts programming as an essential and indispensable aspect of the organization's programs.
-

Organizations We Fund

The ARTSFUND supports Alameda County based nonprofit organizations that provide arts programs which are offered to the public through various forms such as in-person, online and virtual. The intention of ARTSFUND is to support arts organizations that provide the majority of their programs to the Alameda County community. The Arts Commission recognizes that due to the pandemic, many organizations have new online and virtual programs that may also serve participants beyond Alameda County.

Use of Funds

The ARTSFUND Grant award may be used to support programs and/or general administrative and operating expenses to continue the on-going activities of the grantee organization.

Grant Awards

ARTSFUND applications are evaluated by the Arts Commission's Grant Review Committee. Grant awards are reviewed by the Members of the Arts Commission and recommended to the Alameda County Board of Supervisors for final approval. All eligible arts organizations, including small, mid-sized and large organizations, may apply to this Grant Program. The standard ARTSFUND grant award amount is \$1,000.

To support one of the primary goals of this program, the Arts Commission may give larger grant awards to small and mid-sized organizations. For the purposes of this program, the Arts Commission considers a large organization to have an annual operating budget of \$1 million or more. The ARTSFUND Grant Review Committee and the Members of the Arts Commission may decide to recommend that specific organizations receive awards between \$1,000 - \$2,500 or more, depending on various factors such as the total amount of possible award funds, number of eligible applications received, and the ranking based on the stated evaluation criteria.

All ARTSFUND applicants will be considered for the established grant award amounts described above. Therefore, applicants will not submit a specific funding request. Applicants are not asked to specify how the grant funds will be used; the grant fund can be used to support programs and/or general administrative and operating costs.

Funding Cycle

The grant period for the 2021 ARTSFUND grant funding cycle is the 24-month period from July 1, 2021 (first allowable event date) to June 30, 2023. Grant award funds are anticipated to be disbursed by June 30, 2021, and may be used over the course of the full 24-month grant period.
