The SMCCV Project would also relocate an existing helistop, construct a new approximately 80,000 sq. ft. medical office building with physician offices, out-patient surgery, urgent care clinic and other uses, and would involve the development of related improvements and facilities such as a central utility plant, surface parking, a direct, on-site connection to the existing parking garage, driveways and loading areas, landscaped areas, and signage. The SMCCV Project will involve demolition of the existing Eden Hospital (after completion of the proposed new hospital), the Laurel Grove Hospital, several small medical office buildings (totaling approximately 19,500 sq. ft.), and an adjacent 42-unit apartment building (the Pine Cone Apartments on Stanton Avenue). The existing Eden Hospital would remain operational until completion of the new hospital, at which time it would be demolished and replaced with landscaped surface parking. The SMCCV Project Site includes approximately 18.97 acres identified as follows: 20301/20055 Lake Chabot Road, 20081-20101 Lake Chabot Road, 19933 and 19991 Lake Chabot Road, 20000 Stanton Avenue, and 20004 Stanton Avenue, approximately 1,500 feet north of Castro Valley Boulevard, bearing Assessor's Parcel Numbers: 084A-0279-005-10, 084A-0279-007, 084A-0279-010-00, 084A-0279-001-01, and 084A-0279-002, in the Castro Valley area of unincorporated Alameda County.

Casteiro Valley Municipal Advisory Council recommendation: The Council recommended that the Board of Supervisors consider the possibility of the closure of the San Leandro Hospital and the cumulative impact on the Sutter Hospital so that it may be addressed in the Environmental Impact Report. If the Board determines that there is no significant impact, then the Sutter Medical Center project should be approved in substantial conformance with the documents EIR certification, general specific plan amendments and re-zonings 2.1, 2.3, and 2.4.
