Subject: Salary Ordinance Amendment

Dear Board Members:

Recommendation:

Adopt a Salary Ordinance amendment to add a five percent footnote for two Agricultural and Standard Investigator positions in the Community Development Agency to compensate for the added responsibility of maintaining a Class A drivers license.

Discussion/Findings:

The Community Development Agency's Agricultural/Weights and Measures Department is mandated by the State of California to ensure that all commercial transactions based on weight, measure or count are performed on accurate and appropriate equipment.

Currently, there are two Agricultural and Standard Investigators that are assigned the responsibility of conducting vehicle and other heavy capacity scale inspections that require the use of Agricultural Weights and Measures "heavy capacity trucks". The incumbents are required to maintain a Class A California Driver's License in order to operate and perform heavy capacity scale inspections.

As this added responsibility is in addition to performing the typical duties of Agricultural and Standards Investigators, the Department is requesting that a five percent footnote be established for each of the two persons assigned to use the heavy capacity test truck to perform heavy capacity scale inspections.

Financing:

Funds are available in the 2014-2015 budget appropriation to pay the cost resulting from this action.

Very truly yours,

Mary Welch, Interim Director
Human Resource Services
