SUBJECT: ADOPT SALARY ORDINANCE AMENDMENTS TO SUBSECTIONS 1) 1-1.1, TO ESTABLISH A NEW CLASSIFICATION OF FORENSIC MENTAL HEALTH SPECIALIST (JOB CODE ("JC") 6532), 2) 3-12.91, TO ADD A SUNSET DATE, AND 3) 3-12.93 AND 3-12.99, TO ADD JC 6532; AND SECTION 6-2, TO UPDATE AND CLEAN UP THE PROVISION

Dear Board Members:

RECOMMENDATIONS:

Adopt Salary Ordinance amendments to update:

- i. Article 1, Section 1-1 (Pay Rate Schedules), subsection 1-1.1, to establish a new classification of Forensic Mental Health Specialist (Job Code ("JC") 6532) located in the Health Care Services Agency ("HCSA") effective April 14, 2024;
- ii. Article 3, Section 3-12 (Health Care Services Agency), subsection 3-12.91, to add a sunset date of June 8, 2024 and delete said subsection in its entirety upon the sunset date, including some non-substantive language clean up;
- iii. Article 3, Section 3-12 (Health Care Services Agency), subsections 3-12.93 and 3-12.99, to add the new classification of Forensic Mental Health Specialist (JC 6532) eligible to receive the recruitment and retention bonuses, respectively, effective April 14, 2024, including some non-substantive language clean up; and
- iv. Article 6, Section 6-2 (Split Shift and Night Shift Work), to remove reference to SEIU, Local 1021-represented classifications for provisions covered in the December 11, 2022 – January 3, 2026 Memorandum of Understanding ("MOU") between SEIU, Local 1021 and the County of Alameda ("County"), including some non-substantive language clean up.

DISCUSSION/SUMMARY:

The HCSA requested that Human Resource Services Department ("HRS") create a department-unique classification of Forensic Mental Health Specialist (JC 6532) to provide mental health clinical services and forensic-focused case management services to clients specifically in Santa Rita Jail ("SRJ") in the Adult Forensic Behavioral Health Division. HCSA has been proactively recruiting to fill the vacant positions at SRJ using the County's existing Mental Health Specialist classification series but with little success. As such, HRS concurs with creating a unique classification of Forensic Mental Health Specialist (JC 6532), specific to positions located at SRJ and establishing the salary range commensurate with the level and scope of responsibilities of the classification. The new classification specification was approved by the Civil Service Commission on February 7, 2024. Given that the existing subsection 3-12.91 of the

Salary Ordinance provides an additional compensation of 15% of the base pay to employees in the Mental Health Specialist classification series when assigned to work at SRJ, staff proposes the new salary to be 15% above the top step of the Mental Health Specialist III (JC 6492) classification as outlined in the attached Salary Ordinance amendment. In addition, staff recommends amending subsection 3-12.91 of the Salary Ordinance to include a sunset date of June 8, 2024, which will allow HCSA adequate time to process the reclassification of existing employees in the Mental Health Specialist classification series to the newly established Forensic Mental Health Specialist (JC 6532) classification and delete said subsection in its entirety from the Salary Ordinance upon the sunset date.

Further, staff recommends amending subsections 3-12.93 and 3-12.99 of the Salary Ordinance by adding the new classification of Forensic Mental Health Specialist (JC 6532) eligible for the recruitment and retention bonuses, effective April 14, 2024, including some non-substantive language clean up.

Lastly, staff recommends amending Section 6-2 of the Salary Ordinance to remove reference to certain SEIU, Local 1021- represented classifications for provisions covered in the December 11, 2022 – January 3, 2026 MOU between SEIU, Local 1021 and the County, including some non-substantive language clean up.
