4. Authorize the increase of appropriations in the amount of \$334,198, offset by revenue from the Sheriff's Office Asset Forfeiture Trust Fund #84610; and
5. Authorize the Auditor-Controller to make the related budgetary adjustments.

### **DISCUSSION/SUMMARY:**

The Alameda County Sheriff's Office is the mutual aid coordinator for Cal OES Region II, which covers the 16 coastal counties from Monterey to the Oregon border. The Bay Area is vulnerable to seismic activity, conflagration and terrorist activity. In this role, the Sheriff's Office coordinates mutual aid for incidents within the region and has a need for a high definition imaging system. This high definition imaging system is a more efficient, superior tool to provide and share information with

regional partners when roads are impassable due to debris or structural collapse. In addition, equipping our current aircraft with this high definition imaging system will allow the capability to operate in areas where there is high risk to life safety including, hazardous materials, radiation, bio-hazard or imminent collapse.

The Alameda County Sheriff's Office, Air Support Unit needs to contract services for the installation of airborne law enforcement equipment in our departmentally owned 2001 Cessna 206 (N10CX) airplane. The Cessna 206 is utilized to support ground units when searching for lost or missing persons, crime prevention and detection, assisting in the apprehension of dangerous felons, fire detection, critical infrastructure protection and will be utilized as a regional asset to assist ground unit commanders who need to direct resources during critical events.

The Sheriff's Office will utilize Fiscal Year 2020 (FY20) State Homeland Security Grant Program (SHSGP) funds to partially fund the purchase of a high definition camera, which will support the Homeland Security strategy goal and national preparedness goal of information sharing and collaboration capabilities. The remaining costs of procuring the camera system will be funded with High Intensity Drug Trafficking Areas (HIDTA) Program Funds. The main purpose of HIDTA funds is to reduce drug trafficking and production in the United States. The San Mateo County Sheriff's Office is the judiciary fiscal agency of this funding. The FY20 SHSGP Grant funding was approved and accepted by your board on November 17, 2020 (Item 42). The high-definition camera, which includes color, thermal and zoom capabilities, will provide improved situational awareness and will also have the ability to share information with our local and regional partners in the context of a disaster or terrorist attack. The cameras system will be purchased through L3Harris Technologies-Wescam USA, Inc.

Hangar One has exclusively performed all of the installation and upgrades of the airborne law enforcement equipment on this aircraft and performed the same type of work to the other Cessna 206 (N5525U) airplane, which will ensure complete compatibility with all existing systems.

**SELECTION CRITERIA/PROCESS:**

*The selected vendor L3Harris Technologies-Wescam USA, Inc. is the only source we can procure the MX line of cameras. L3Harris Technologies-Wescam USA, Inc does not use distributors or resellers for their products. For law enforcement agencies located in the United States, L3Harris Technologies-Wescam USA, Inc is the only source for MX line products repairs and customer support. A Single source questionnaire was completed, and a finding memo was issued by the General Services Agency (GSA) on April 20, 2022.*

*The airborne law enforcement mission equipment that is currently in N10CX needs to be upgraded to today's standard. The airborne law enforcement mission equipment consists of a Wescam MX-10 Camera, which is an advanced multi-spectral imaging system, a Churchill Moving Map System that integrates with the camera system and a Technisonic TDFM9300 multi-channel public safety radio system.*

*Hangar One specializes in the installation of airborne law enforcement mission equipment and is the only integration facility on the west coast for both fixed and rotary wing aircraft. Hangar One has extensive and intimate knowledge of our aircraft and is the recommended installation company by*

Honorable Board of Supervisors

*WESCAM (Camera System) and Churchill Navigation (Moving Map System), both of which are in the process of being procured.*

*The Sheriff's Office requested and received a Finding of Non-Competition- Sole Source approval #8121, on 4/12/22, from the General Services Agency (GSA) Procurement Department. A SLEB Waiver was granted by the Office of Acquisition Policy on 4/14/2022, SLEB Waiver #22256.*

**FINANCING:**

The additional appropriation requested will be fully offset with funding from the Sheriff's Office State and Federal Asset Forfeiture trust funds #84609 and #84610. The cost associated with the purchase and installation of a high definition imaging system will be fully offset with funds from the State Homeland Security Grant Program and the High Intensity Drug Trafficking Areas (HIDTA) Program Funds. There will be no increase in net County cost as a result of your approval.

**VISION 2026 GOAL:**

The purchase and installation of a high definition imaging system strengthens the emergency management system's capacity and meets the 10X goal pathway of **Crime Free County** in support of our shared vision of **Safe and Livable Communities**.

Respectfully submitted,

Notwithstanding the foregoing, if the County determines that pursuant to state and federal law Contractor is an employee for purposes of income tax withholding, County may upon two week's notice to Contractor, withhold from payments to Contractor hereunder federal and state income taxes and pay said sums to the federal and state governments.

2. **INDEMNIFICATION:** To the fullest extent permitted by law, Contractor shall hold harmless, defend and indemnify the County of Alameda, its Board of Supervisors, employees and agents from and against any and all claims, losses, damages, liabilities and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of services under this Agreement, provided that any such claim, loss, damage, liability or expense is attributable to bodily injury, sickness, disease, death or to injury to or destruction of property, including the loss therefrom, or to any violation of federal, state or municipal law or regulation, which arises out of or is any way connected with the performance of this agreement (collectively "Liabilities") except where such Liabilities are caused solely by the negligence or willful misconduct of any indemnitee. The County may participate in the defense of any such claim without relieving Contractor of any obligation hereunder. The Agreement may not be modified except by a written document signed by both parties.
26. **HEADINGS** herein are for convenience of reference only and shall in no way affect interpretation of the Agreement.
27. **ADVERTISING OR PUBLICITY:** Contractor shall not use the name of County, its officers, directors, employees or agents, in advertising or publicity releases or otherwise without securing the prior written consent of County in each instance.
28. **MODIFICATION OF AGREEMENT:** This Agreement may be supplemented, amended, or modified only by the mutual agreement of the parties. No supplement, amendment, or modification of this Agreement shall be binding unless it is in writing and signed by authorized representatives of both parties.
29. **ASSURANCE OF PERFORMANCE:** If at any time County believes Contractor may not be adequately performing its obligations under this Agreement or that Contractor may fail to complete the Services as required by this Agreement, County may request from Contractor prompt written assurances of performance and a written plan acceptable to County, to correct the observed deficiencies in Contractor's performance. Contractor shall provide such written assurances and written plan within ten (10) calendar days of its receipt of County's request and shall thereafter diligently commence and fully perform such written plan. Contractor acknowledges and agrees that any failure to provide such written assurances and written plan within the required time is a material breach under this Agreement.
30. **SUBCONTRACTING/ASSIGNMENT:** Contractor shall not subcontract, assign, or delegate any portion of this Agreement or any duties or obligations hereunder without the County's prior written approval.

- a. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. Any agreement that violates this Section shall confer no rights on any party and shall be null and void.
  - b. Contractor shall use the subcontractors identified in Exhibit A and shall not substitute subcontractors without County's prior written approval.
  - c. Contractor shall require all subcontractors to comply with all indemnification and insurance requirements of this agreement, including, without limitation, Exhibit C. Contractor shall verify subcontractor's compliance.
  - d. Contractor shall remain fully responsible for compliance by its subcontractors with all the terms of this Agreement, regardless of the terms of any agreement between Contractor and its subcontractors.
31. **SURVIVAL:** The obligations of this Agreement, which by their nature would continue beyond the termination on expiration of the Agreement, including without limitation, the obligations regarding Indemnification (Paragraph 2), Ownership of Documents (Paragraph 11), and Conflict of Interest (Paragraph 12), shall survive termination or expiration.
32. **SEVERABILITY:** If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of them, will not be affected, unless an essential purpose of this Agreement would be defeated by the loss of the illegal, unenforceable, or invalid provision.
33. **PATENT AND COPYRIGHT INDEMNITY:** Contractor represents that it knows of no allegations, claims, or threatened claims that the materials, services, hardware or software ("Contractor Products") provided to County under this Agreement infringe any patent, copyright or other proprietary right. County will: (1) notify Contractor promptly of such claim, suit, or assertion; (2) permit Contractor to defend, compromise, or settle the claim; and, (3) provide, on a reasonable basis, information to enable Contractor to do so. Contractor shall not agree without County's prior written consent, to any settlement, which would require County to pay money or perform some affirmative act in order to continue using the Contractor Products.

- a. If Contractor is obligated to defend County pursuant to this Section 33 and fails to do so after reasonable notice from County, County may defend itself and/or settle such proceeding, and Contractor shall pay to County any and all losses, damages and expenses (including attorney's fees and costs) incurred in relationship with County's defense and/or settlement of such proceeding.
  - b. In the case of any such claim of infringement, Contractor shall either, at its option, (1) procure for County the right to continue using the Contractor Products; or (2) replace or modify the Contractor Products so that that they become non-infringing, but equivalent in functionality and performance.
  - c. Notwithstanding this Section 33, County retains the right and ability to defend itself, at its own expense, against any claims that Contractor Products infringe any patent, copyright, or other intellectual property right.
34. OTHER AGENCIES: Other tax supported agencies within the State of California who have not contracted for their own requirements may desire to participate in this contract. The Contractor is requested to service these agencies and will be given the opportunity to accept or reject the additional requirements. If the Contractor elects to supply other agencies, orders will be placed directly by the agency and payments made directly by the agency.
35. EXTENSION: This agreement may be extended for an additional two years by mutual agreement of the County and the Contractor.
36. SIGNATORY: By signing this agreement, signatory warrants and represents that he/she executed this Agreement in his/her authorized capacity and that by his/her signature on this Agreement, he/she or the entity upon behalf of which he/she acted, executed this Agreement.

The County reserves the right to require the Contractor to provide complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

**EXHIBIT D**

**COUNTY OF ALAMEDA  
DEBARMENT AND SUSPENSION CERTIFICATION**

(Applicable to all agreements funded in part or whole with federal funds and contracts over \$25,000).

Exceptions will not necessarily result in denial of award, but will be considered in determining Contractor responsibility.

FROM: **Kevin Bailey**, Procurement & Contracts Specialist

SUBJECT: FINDING OF NON-COMPETITION – SOLE SOURCE # **8121**  
PURCHASE FROM **HANGAR ONE AVIONICS** LOCATED IN  
**CARLSBAD, CA**

This is to document my finding that competitive bidding is not possible for the purchase of **Airborne Law Enforcement Equipment and Installation** in the amount of **\$668,395.43** for the approximate term from **05/01/2022** to **06/30/2023** for **Sheriff's Office**.

The County Administrative Code Section 4.12.010 promotes competition for the purchase of goods and services. There may be instances which require exceptions as noted in the County of Alameda Sole Source Policy: **Section VI. Non-Competitive Procurements - Item A. Single Source of Supply**.

Per the Departmental Justification to Request a Waiver of County Competitive Bidding Requirement the requested **Goods & Services** and supplier cannot be substituted. **This request is for cameras and other equipment to be installed onto Sheriff's Office aircraft. There are two vendors who can provide this equipment and service. The other vendor is located approximately 1,000 miles away in Fort Collins, CO. It is not feasible to transport aircraft such a far distance to have equipment installed.**

**The independent cost estimate was performed by Sheriff's Office for \$668,395.43.** This procurement is deemed to be fair and reasonable and is recommended for your approval.

**Sheriff's Office** is to obtain Board approval for services that exceed \$25,000 requesting authorization from the President of the Board to sign the contract or approve the purchase. The Auditor-Controller issues Board signed contracts, Board approved purchase orders and purchase order changes with/without signed contracts.

**5. Goods/Services Procurement Description:**

The Alameda County Sheriff's Office Aviation Unit received sole source approval from GSA for procuring the installation and upgrade services of the Airborne Law Enforcement Equipment in our department owned 2001 Cessna 206 (N10VX) airplane from Hangar One. Hangar one has exclusively performed all of the installation and upgrades of the same equipment on this aircraft and performed the same type of work to our other Cessna 206 (N5525U) airplane.

**6. Brief explanation of why goods/services are required:**

The Airborne Law Enforcement Mission Equipment needs to be upgraded to today's standards. The Wescam MX-10 imaging system which will be installed is an advanced multi-spectral imaging system, a Churchill Moving Map system that integrates with the camera system is a multi-channel public safety radio system. Hangar One Avionics specializes in the installation of Airborne Law Enforcement Mission Equipment and is the only integration facility on the west coast that does so in both fixed and rotary wing aircraft. The next closest facility is Paravion which is located in Fort Collins Colorado which is nearly 1200 miles away. Hangar One has extensive and intimate knowledge of our aircraft and is a recommended installation company by WESCAM (Camera System) and Churchill Navigation (Moving Map System) both of which we are in the process of procuring.

**7. Date Goods/Services Needed:**

05/01/2022

**a. What are the consequences if the date goods/services needed is not**

Plane would not be fully functional to participate in Law Enforcement critical missions.

**8. Explanation of why the non-SLEB contractor/subcontractor (in #2 above) is being recommended and, if procurement over \$25,000, why they are unable to subcontract with a SLEB(s) for a minimum of 20%:**

There are no SLEBS who primarily install equipment on to airplanes.
