

TELECONFERENCING GUIDELINES FOR PUBLIC PARTICIPATION IN FAIRVIEW MAC MEETINGS

In Person Participation Prohibited

In response to the COVID-19 pandemic, California Governor Gavin Newsome issued Executive Order N-08-21 on June 11, 2021, governing the convening of public meetings. Pursuant to the Executive Order, all members of the County of Alameda Board of Supervisors may participate in their Board meetings without being physically present (via teleconference), and no teleconference locations for the public are required to be provided or noticed in the meeting agenda. The public must be given the opportunity to observe and address the meeting telephonically or otherwise electronically.

Due to the public health emergency, the County of Alameda has made several changes related to Board of Supervisors' meetings to protect the public's health and prevent the disease from spreading locally. **The Board of Supervisors meetings are teleconferenced and in-person participation at Board of Supervisors meetings is limited to essential County of Alameda personnel. The meeting site is closed to members of the public and non-essential County personnel. The public may observe and address the Board in the meeting in the following ways:**

Public Comment via Teleconference

Members of the public may address the Board of Supervisors regarding matters on the agenda, **or** during the Public Input portion of the meeting on a matter not on the agenda provided the matter is within the Board's subject matter jurisdiction.
