Summary/Action Minutes

I. Welcome to the Measure A1 Oversight Committee – Linda Gardner, Director Housing and Community Development, Alameda County Community Development Agency (CDA)
   • Linda gave updates and welcomed committee members
   • Staff introduced themselves, followed by committee members
   • Outlined purpose of this meeting
II. **Swearing-in of Oversight Committee Members** – Melissa Rydman, Administrative Associate, Office of the Clerk, Alameda County Board of Supervisors

- Ms. Rydman conducted swearing in of Committee members
- Committee members signed oaths

III. **Brown Act and Conflict of Interest Training** – Heather Littlejohn, Deputy County Counsel, Alameda County Office of the County Counsel

- Ms. Littlejohn presented a PowerPoint on the Brown Act and Conflict of Interest laws and regulations
- Questions on Brown Act
  - Gloria Bruce asked whether members of the public who wish to speak are required to fill out a speaker card. Ms. Littlejohn responded that the public has a right to speak without identifying themselves.
- Questions on Conflict of Interest
  - Andreas Cluver asked if members ask Counsel a question regarding if something is a conflict of interest and County Counsel responds that there is not a conflict but someone files a suit, are Committee members indemnified. Ms. Littlejohn replied that County Counsel advises County staff and the Board of Supervisors and their advice would fall under attorney/client privilege. Staff can choose whether to share it. Because County Counsel is the attorney for the County and not for individuals, it would be better for Committee members to consult their own counsel if they have concerns.
  - Ms. Works asked if County Counsel will be at every Committee meeting. Ms. Gardner responded that HCD will invite them when needed but that they may be present at every meeting.
  - Ms. DeHollander asked if Committee members put their other positions and memberships on their applications, can they assume those have been confirmed to not present any conflicts. Ms. Gardner responded that HCD reviewed the applications in terms of backgrounds relevant to Committee membership but did not review specifically for conflict of interest, so that assumption cannot be made.
  - Ms. Bruce asked if County Counsel is aware of situations where potential conflicts have been disclosed, but through an excess of caution, people should still recuse themselves on certain items. Ms. Littlejohn responded that she has seen such a situation, especially with a body as large as this committee.

IV. **Measure A1 Affordable Housing Bond Implementation Update** – Linda Gardner

- Ms. Gardner presented a brief overview of Measure A1 and current implementation status of Measure A1 programs.
- Questions
  - Ms. Foster asked for more about our role of the Oversight Committee. Ms. Gardner responded that additional information on the Committee’s role will be forthcoming
at future meetings and that, in brief, the Oversight Committee’s role is to review actions taken for compliance with the Measure.

V. Scheduling February Meeting Date and Meeting Calendar – Bob Fuller, Housing Specialist, Housing and Community Development, Alameda County Community Development Agency (CDA)

- Committee members requested that the meeting start later than 9:00 a.m.
- Next meeting set at 9:30 on February 27, 2020
- Mr. Fuller will follow up with a poll via email, including members not present, to confirm the regular day and time of the meetings.
