- Ms. DeHollander requested clarification about why a motion is made regarding an agenda item after public comment on the topic. Ms. Pearce responded that public comment is based on the agenda item and the motion ought to be as well. Public comment is heard before any discussion by Committee members to ensure that all public comment is considered during discussion by the Committee. Any action taken by the Committee on an item should happen after public comment and following discussion/debate by the Committee.

III. **Staff Roster and Introductions – Bob Fuller**, Housing Specialist, Housing and Community Development, Alameda County Community Development Agency (CDA)

- Mr. Fuller introduced County staff; Heather Littlejohn of County Counsel, and Teresa Hester of Housing and Community Development, and himself. Staff members spoke about their roles in relation to the Oversight Committee and their motivations for their work.

IV. **Chair and Vice Chair Election – Bob Fuller**, Housing Specialist, Housing and Community Development, Alameda County Community Development Agency (CDA)

- Mr. Fuller provided an overview of the responsibilities of the Measure A1 Oversight Committee Chair and Vice Chair; leading meetings, working with staff to set agendas for meetings of the Committee, and serving as the public face of the committee, co-presenting the Measure A1 annual reports, with staff support, to the Board of Supervisors.
- Ms. Littlejohn asked whether the Committee has established by-laws. Mr. Fuller responded that a discussion of the by-laws is planned for the March agenda. Ms. Littlejohn advised that the Committee needs to adopt by-laws to formalize the appointments of the Chair and Vice Chair, if no description of responsibilities already exists.\(^1\) By-laws will also include any other official positions on the Committee.
- Ms. Foster asked if meeting agendas are set by staff or the Committee Chair. Mr. Fuller responded that meeting agendas will be set by the Chair with advice and support of staff. Staff will propose a draft agenda to the Chair at least one week ahead of publication.
- Mr. Fuller asked for nominations for Chair of the Measure A1 Oversight Committee. Ms. Potter asked to have any candidate provide information about themselves to help Committee members learn about each other in order to make nominations.

\(^1\) Following the meeting, staff noted that the Board of Supervisors adopted the Oversight Committee formation and structure [item 41 on 8/7/2018], which includes the designation of a chair and a vice chair.
• Ms. DeHollander asked if any members of the Committee have experience running meetings using Robert’s Rules of Order.

• Mr. Fuller asked if there were additional nominations. Seeing none, he asked for nominations for Committee Vice Chair, suggesting that if there is only one nomination for Vice Chair the Committee could vote for the two positions with a single slate vote. However, if there were multiple Vice Chair nominations, the positions would be voted on separately.

• Ms. Littlejohn asked Mr. Fuller to discuss the role of the Vice Chair. He responded that the Vice Chair, in the absence of the Chair, fulfills the role of the Chair to preside over meetings, approve agendas and co-present the Measure A1 annual report to the Board of Supervisor.

• Mr. Dolan nominated Ms. Potter. Ms. Potter declined to accept the nomination due to workload concerns.

• Ms. Bruce nominated herself as vice chair. Mr. Dixon seconded the nomination.

• Mr. Fuller asked for additional nominations.

• Ms. Roberts asked if any of Habitat’s projects have been funded through this program. Mr. Elliot responded that none have been funded.
