## Mandatory Virtual Bidders' Conference and RFP Release for Two Alameda County RFPs: Affordable Rental Housing Development Program RFP and Capital Development Projects Program RFP – September 6, 2022

The Alameda County Housing & Community Development Department (HCD) announces the release of two RFPs. Alameda County seeks exceptional projects that meet the County's stated priorities to expand the supply of affordable housing to serve the neediest households throughout the County through construction, preservation, and rehabilitation of affordable rental housing through the Affordable Rental Housing Development Program RFP. Through the Capital Development Projects Program RFP, the County seeks to meet the stated priorities through construction, preservation, and rehabilitation of capital projects that benefit low income or at-risk persons or communities. The County is seeking projects that, to the greatest degree possible, serve very low and extremely low-income households, are geographically distributed in accordance with funding source regulations, are in the best position to move forward to construction and occupancy, meet funding commitment and expenditure deadlines, and are in compliance with both federal and local policies and regulations.

Interested parties are required to attend a virtual Bidders' Conference on the date and time listed below. The RFP will be available on the *What's New* section of the Alameda County Housing & Community Development website at <https://www.acgov.org/cda/hcd/>
