Alameda County Healthy Homes Department Outreach and Education Report Objectives FY 18-19

Report for March 2019

Public Outreach

By June 30, 2019, Alameda County residents will be reached and informed of CSA property owner services, lead safety, lead regulations, childhood lead poisoning prevention, maintaining a lead-safe property, the impact of housing on health and other Department services. Direct outreach to 3,560 residents will be done through community events such as presentations, information booths, trainings, collaboration meetings and phone consultations, etc. Two hundred thousand individuals will be reached through website, social media, mailings, literature drops, and articles, etc.

Direct Outreach

Indirect Outreach

Healthy Housing Assessments/Interventions

By June 30, 2019, a total of 470 healthy housing assessments / interventions will be conducted in the homes of Alameda County residents participating in the Lead Hazard Control Program, Lead Poisoning Prevention Program, Minor Home Repair, and Independent Living Homes Project or when responding to unsafe renovation condition complaints.
