4) **Brown Act Compliance: Limited Options for Remote Meetings**

County Counsel Andrew J. Massey informed the JPA Board of limited options for remote meetings and Brown Act compliance after February 28, 2023.

Mr. Massey reminded staff that AB 361 enabled the JPA Board to meet remotely and excluding the public from attending the meetings in person. That ability will go away when the emergency declaration will be rescinded at the end of February 2023.

The new law, AB 2449, has limited impact and is intended to be used for emergency purposes allowing a member of the legislative body who intends to attend an in person meeting to appear remotely due to unforeseen circumstances that prevents them from attending in person. AB 2449 is limited to two times in a 12-month period and disclosure for not attending the in-person meeting is required.

A quorum of the legislative body must be present within the JPA's jurisdiction if each JPA Director prefers to use their own location for the meeting. Additionally, all locations need to be noticed, agenda must be posted at each of the locations, each location must be publicly accessible, ADA compliant and within the boundaries of the JPA. Mr. Massey noted administrative requirements for tracking the number of times the authority has used AB 2449 and having sufficient administrative staff facilitating the meetings at each of the locations.

Director John J. Bauters asked Directors to contact Ms. Lidice De La Fuente for the Just Cause exemption and to provide advance notification to accommodate for any consolidation or rescheduling of meetings. He reminded Directors that starting in March 2023, the JPA Board will reconvene in-person meetings at Emeryville City Hall at 9:30 a.m.

Board continued onto item #6.

5) **Director's Report**

Secretary to the Board, Larry Brooks, announced that Lisa Plourde, Senior Registered Environmental Health Specialist is retiring after 29 years of service with Alameda County. Directors and staff thanked Ms. Plourde for her service.

Mr. Brooks announced that Alameda County Board of Supervisor Nate Miley plans on joining the JPA Board to represent Alameda County.

The Department invited Emery High and United for Success Academy/Frontline Catalyst students to apply for the U.S. Environmental Protection Agency Region 9 Environmental Youth and Teachers Award. Applications were due January 11, 2023.

California Association of Code Enforcement Officers (CACEO) and Regional Asthma Management & Prevention (RAMP) are promoting the restoration of code enforcement incentive grants to assist local code enforcement agencies achieve their goals and are looking for a legislative champion to lead it.
